### Your Duty of Disclosure

Whether you are entering into a policy for the first time or are proposing to renew, vary, extend or reinstate a policy you have a duty of disclosure:

#### Your duty of disclosure for new policies

When answering our questions you must be honest and you have a duty under law to tell us anything known to you, and which a reasonable person in the circumstances, would include in the answer to the question. We will use the answers in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.

#### Your duty of disclosure for renewals

If you have already entered into a policy and you are proposing to renew, vary, extend or reinstate the policy your duty of disclosure changes. You have a duty to tell us of everything that you know, or could reasonably be expected to know, that is relevant to our decision to insure you and to the terms of that insurance. If you are not sure whether something is relevant you should inform us anyway.

#### Who needs to tell us?

It is important that you understand you are answering our questions in this way for yourself and anyone else that you want to be covered by the policy.

#### What you are not required to disclose:

Your duty does not require disclosure of matters that:

- reduce the risk
- are common knowledge
- we know or, in the ordinary course of our business, ought to know, and
- we have indicated we do not want to know.

#### If you do not tell us

If you do not answer our questions in this way or disclose everything you know, we may reduce or refuse to pay a claim, or cancel the policy. If you answer our questions fraudulently, we may refuse to pay a claim and treat this policy as never having been in force.

## Significant Features and Benefits

Your policy provides you with financial protection for your home and/or your home contents, depending on the cover you have chosen. Optional additional cover for your valuable items can be taken if you have insured your contents. Cover for your legal liability as owner of the home is automatically provided if you insure your home. Cover for your legal liability as occupier of the home, and for your personal legal liability anywhere in the world, is automatically provided if you insure your contents.

Your home, contents and valuable items are covered for accidental loss or damage.

In addition to the protection provided by your policy, we offer the following important benefits:

- various discounts – refer to 'Cost of Your Policy' on pages 13 to 14
- a choice of payment methods – refer to 'Cost of Your Policy' on page 13, including monthly instalments
- a choice of excesses – refer to 'Excess' on page 16
- a 30-day cooling-off period – refer to 'Your Cooling-off Period' on page 7
- new for old replacement

- cover for flood.

## Cost of Your Policy

The amount that we charge you for this insurance when you first acquire your policy and when you renew your policy is called the premium. The premium is the total that we calculate when considering all of the factors which make up the risk, such as:

- the insured value of your home
- contents or valuable items (sums insured)

- the construction material of your home
- the location, type and use of any property being insured
- your previous insurance and claims history.

The total cost of your policy is shown on your policy schedule and is made up of your premium plus Government Taxes such as, GST, Stamp Duty and Fire Service Fees.

Your total insurance premium will also include any discounts that you may be entitled to receive. We currently offer a range of standard discounts including:

- if you have combined home and contents cover
- if you have not made a claim in the last 1, 2 or 3 years
- if you have a security system
- if you are over 55 years of age.

We may also offer special discounts to some customer groups.

### Paying your premium

Various options are available for paying your premium including:

- annual payment by cheque, credit card or cash
- monthly, quarterly or annual instalments by direct debit from your credit card or bank, building society or credit union account.

An instalment fee will apply if you choose to pay in monthly or quarterly instalments by direct debit. A credit card processing fee will also apply on all credit card transactions (annual and instalment payments).

### What happens if you do not pay the cost of your policy by the due date?

We will have the right to cancel your policy if you do not pay your premium by the due date or if your payment method is dishonoured and therefore we have not received your payment by the due date. Unless we tell you, any payment reminder we send does not change the expiry of your cover or the due date of your premium.

### Paying by instalments

- Where you pay your premium by instalments:
  - we will not pay any claim if at the time the incident giving rise to the claim occurred, at least one instalment of premium remained unpaid for 14 days or more
  - if any instalment of premium has remained unpaid for 30 days, the policy will come to an end without notice to you.
- In the event of a claim, any balance of the annual premium will become due before settlement of the claim. Alternatively, it may be deducted from the settlement of your claim.
- If the financial institution holding your account returns or dishonours a direct debit payment due to lack of funds in your account, we will charge you for any direct or indirect costs which we incur arising from the payment being returned or dishonoured.

### Other costs, fees and charges

Other costs, fees and charges which may be applicable to the purchase of your insurance policy include:

Costs or fees	Details
Agency	An agency fee of \$70 plus GST is payable by you to cover the agent's administration cost of preparing and distributing Your policy. Your agency fee is noted on Your insurance schedule and is not refundable in the event of cancellation, unless the insurance contract is cancelled within the cooling off period or is a full term cancellation.

Costs or fees	Details
Refund of Premium	You may cancel your policy at any time. If you choose to cancel your policy we will retain a portion of premium which relates to the period for which you have been insured. We will refund the residue for the unexpired period, less any non-refundable government taxes or charges, provided that: <ul style="list-style-type: none"> <li>• no event has occurred where liability arises under the policy and</li> <li>• the residue amount is over \$20.</li> </ul>
Instalment Fee	If you choose to pay your premium in monthly or quarterly instalments. An instalment fee of \$60 per annum plus GST will apply. This fee will cover the agent's administration costs of processing your instalment plan. The fee will be divided equally and charged across the number of instalments. Your instalment fee is not refundable in the event of cancellation, unless the insurance contract is cancelled within the cooling off period or is a full term cancellation.
Credit Card Processing Fee	A credit card processing fee will apply on all credit card transactions. We apply a surcharge in the range of 0% to 3% inclusive of GST of the total cash amount depending on the type of credit card used. The percentage payable will be shown on your tax invoice. Please refer to your tax invoice.
Commissions	Your broker or insurance intermediary may receive a commission payment from us when your policy is issued and renewed. If you cancel your policy, this commission payment may be non-refundable. For details of the relevant commission paid, please refer to your FSG, SOA or contact your broker or insurance intermediary directly.

## Excess

Your policy has a standard excess of \$300 for each claim made under the home, contents or liability sections. You can also choose from the following alternative excesses – \$500 or \$1,000. The standard excess you have chosen will be shown on your policy schedule. Your premium will be reduced if you choose a higher than standard excess.

In addition to the standard excess, you will be required to pay a further excess of:

- \$200 for loss or damage caused by earthquake
- \$2,000 for loss or damage caused by floods.

If you make a claim under the valuable items section, you will be required to pay an excess of \$50 or \$100. The amount of the excess will be determined by the item that is lost or damaged. Your policy schedule will show which excess applies to which items.

## GST Information

When we make a payment for the acquisition of goods, services or other supply, we will reduce the amount of the payment by the amount of any GST input tax credit that you are, or will be, or would have been entitled to, in relation to the acquisition, whether or not that acquisition is actually made.

When we make a payment under this policy as compensation (instead of payment for the acquisition of goods, services or other supply) we will reduce the amount of payment by the amount of any GST input tax credit that you would have been entitled to had the payment been applied to acquire such goods, services or other supply.

## Automatic Indexation

To provide some protection against the effects of inflation we adjust the sums insured for your home and home contents each year as your policy becomes due for

renewal. The sums insured are adjusted by a percentage amount determined from time to time to approximate movements in home building costs and the rate of inflation. Your renewal invitation will show the adjusted sums insured and the premium payable. You may choose to vary the sums insured prior to renewing your policy.

In addition, in the event of a claim for a total loss during the period of cover we will adjust the sums insured for your home and home contents in line with movements in the Consumer Price Index (CPI), as published by the Australian Bureau of Statistics, between the last policy renewal date and the date of the total loss. For example, if your home was insured for \$200,000 and the CPI has increased by 3% between your last renewal and the time of the total loss of your home, we will increase your cover for your claim to \$206,000.

If you only insure your buildings, the cover provided under the policy for destruction, loss or damage does not apply to your contents.

Your buildings and your contents are covered while at your situation. Cover for your contents while away from your situation is provided subject to the conditions and limitations set out on page 39.

  - earthquake
  - explosion
  - liquid escaping from a fixed pipe or something attached to a pipe, fixed gutter, fixed tank apparatus or a drain.

- Burning out of an electric motor. If an electric motor burns out, we will repair, reinstate or replace it. We decide which one we will do. We will only do this if the electric motor is 15 years old or less.
- Power surge. If damage to domestic appliances or domestic equipment occurs as a result of power surge, we will repair, reinstate or replace it. We decide which one we will do. We will only do this if the appliance or equipment is 15 years old or less.

### Additional things we will pay for when you have insured your buildings

If you have cover for your buildings, the following will be paid in addition to the sum insured as listed on your schedule.

We will pay these costs when they relate to loss or damage caused by or arising from accidental loss or accidental damage that is covered by this policy:

- If you are unable to live in your buildings after loss or damage has occurred, we will pay for you to rent another property. We will pay an amount equal to the amount that your buildings could have been rented out for each week if the loss or damage had not occurred.

We will also pay the costs of alternative accommodation for your pets, and additional living expenses up to \$1,000.

We will pay these costs for up to 12 months. The most we will pay for these costs is 20 per cent of your buildings sum insured, as listed on your schedule.

We will reduce the amount we pay you, or stop paying you, if:

If the body corporate of the strata title development in which your buildings are located:

- has failed to insure the buildings in the strata title development, or
- has taken out insurance for an amount which is insufficient to pay the cost of rebuilding the buildings in the strata title development

and during the period of insurance your buildings are damaged by an event covered by this policy, we will pay the lesser of:

- the unpaid balance of your mortgage loan at the date of loss or damage, or
- the sum insured for contents shown in your current schedule.

We will pay this to your mortgagee when you are required to repay your mortgage in full following loss or damage to your buildings.

## Paying Claims

### Excesses that apply when you make a claim

An 'excess' is your contribution towards the cost of a claim. We will tell you if you need to pay an excess when you make a claim.

In most instances you can select, at the time of your enquiry or application for insurance, the amount of the excess you wish to pay should you make a claim. When you select a higher excess amount we will normally reduce the amount of the premium you will have to pay.

We take into consideration a number of factors in setting the amount of the excess. These include factors relating to the type of property being insured, where the property is located, the type of construction and your previous insurance and claims history.

At the time of your enquiry or application for insurance, the amount of the excess will be advised to you.

For each claim for your buildings or your contents, we will reduce the amount we pay you for your claim by the amount of the excess. The amount of your excess is shown on your schedule.

Your excess will be increased by \$200 for any claim for loss or damage arising from an earthquake or tsunami. This loss or damage must occur within 72 hours of the earthquake.

When a claim is paid for loss or damage to your buildings and your contents, the excess amount will only be applied once. You will not be required to pay any excess in the event that your building or contents are a total loss.

### The most we will pay for your buildings or your contents

The most we will pay for any claim for your buildings or your contents is the sum insured shown on your schedule. This does not apply to amounts payable under 'Additional things we will pay for when you have insured your buildings', or 'Additional things we will pay for when

you have insured your contents', or 'Additional things we will pay for when you have insured your buildings and/or contents'.

There are some contents items that we will only cover up to a certain amount. See 'What are your contents' on pages 36 to 38 for details of these contents items and the amounts we will pay.

### How we pay a claim for your buildings

When loss or damage occurs to your buildings, we will pay the cost of rebuilding your buildings or repairing the damaged portions to the same condition as when they were new.

We will also pay any additional costs required for your buildings to comply with government or local authority bylaws. We will not pay these additional costs if you were required to comply with these bylaws, and had not done so, before the loss or damage occurred.

Rebuilding or repairing your buildings must commence within six months of the loss or damage occurring. If it does not commence within six months of the loss or damage occurring (or any other period which we agree with you), you may have to pay any increase in cost caused by your delay.

We will pay for the damaged portions of fixed coverings to walls, floors and ceilings only in the room, hall or passage where the damage occurred.

We will try to match any material used to repair your buildings with the original materials. If we cannot, we will use the nearest equivalent available to the original materials. We will not pay any costs for replacing undamaged property.

If the damage was caused by liquid that escaped from a bath, basin, sauna, spa, shower base or shower wall, we will pay the costs to repair your buildings. We will not pay the costs to repair or replace the bath, basin, sauna, spa, shower base or shower wall.

### How we pay a claim for your contents

When loss or damage occurs to any of your contents items, we will do one of the following:

- replace the item with the nearest equivalent new item
- repair the item to the condition it was in when new
- pay you the cost of replacement or repair.

We decide which one we will do.

We will pay the cost of replacement for:

- carpets
- wall, floor and ceiling coverings, and
- internal blinds and curtains

only in the room, hall or passage where the loss or damage occurred.

When an item is part of a pair, set, system or collection, we will only pay for the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection. We will only pay the cost of replacing the item even though the pair, set, system or collection to which it belongs is less valuable because it is incomplete.

We will not pay if the accidental loss or accidental damage is caused by the following:

- rust, corrosion, gradual deterioration, depreciation, wear or tear
- a defect in the item

- rats, mice or insects
- processes of cleaning involving the use of chemicals other than domestic household chemicals

## Paying Claims

### How we pay a claim for a valuable item

When accidental loss or accidental damage occurs to a valuable item, we will do one of the following:

- replace the item with the nearest equivalent new item
- repair the item to the condition it was in when new
- pay you the cost of replacement or repair.

We decide which one we will do.

When a valuable item is part of a pair, set, system or collection, we will only pay the value of the item itself. The most we will pay is the value that the item has as a proportion of the combined pair, set, system or collection. We will only pay the cost of replacing the item even though the pair, set, system or collection to which it belongs is less valuable because it is incomplete.

We will reduce any payment for loss of, or damage to, an item under this section by the amount we pay you for the same item under your contents cover.

### Limit for valuable items

The most we will pay for any one item, pair, set, collection or system is \$10,000 for valuable items.

You can insure items, pairs, sets, collections or systems that are worth more than the above limit for their actual value as specified valuables.

To do this you must advise us and the items will be listed on your schedule. The most we will pay in total for all valuable items is the amount shown on your schedule.
