## Part A

# Product Disclosure Statement

**Welcome to National Transport Insurance (NTI). Please ensure You read this document thoroughly before You enter into this contract of insurance.**

In this Product Disclosure Statement (PDS) We refer to retail Motor Vehicle insurance. Retail Motor Vehicle insurance is insurance for Motor Vehicles such as sedans, station wagons, SUV's and coupes or a goods vehicle that has less than two tonne carrying capacity.

### 1. Introduction

This PDS contains important information required under the Corporations Act 2001 (Cth) and represents an invitation to apply for the product which is only made to people in Australia. When NTI recommends or offers to sell You retail insurance products, it is required to provide You with a PDS. We can provide You with a PDS regardless of if You are acquiring a retail product or not.

### 2. The Insurer

Who is the insurer?

National Transport Insurance means the joint venture of the following insurers in the proportions shown:

- CGU Insurance Limited (ABN 27 004 478 371) (AFSL 238291) – 50%
- AAI Limited trading as Vero Insurance (ABN 48 005 297 807) (AFSL 230859) – 50%

This means that each insurer is only responsible for its half share.

'We', 'Us', 'Our' or 'Company' means National Transport Insurance through its manager NTI Limited ABN 84 000 746 109 AFSL 237246.

### 3. The Purpose of this PDS

The PDS sets out the **significant features** of the Fleet Motor Insurance Policy including its **benefits, risks** and information about **how the premium is calculated**. For a full description of this insurance product, You will still need to read the Policy attached to this document for terms, conditions and limitations of the insurance Policy.

The PDS also explains **what to do, who to contact** if You have a **dispute** regarding the Policy, and the **significant taxation implications** for retail Motor Vehicle insurance. The PDS also notifies You of the entitlement to a **cooling-off period** after You have entered into a contract of insurance. The PDS sets out the **circumstances under which You are not covered**.

We rely upon the information You provide also when You renew, replace, vary, extend, change or reinstate Your Policy.

These requirements are part of the Insurance Contracts Act 1984 (Cth).

Where We make a payment under the Policy, We will adjust the amount of the payment according to Your GST status).

## 16. Resolving Your Complaints

### What You do and who You contact if You have a complaint or dispute involving us:

If You have a complaint or dispute about Your insurance policy, decisions on Your claim or the service You have received from Us or one of Our authorised representatives, You may access Our Internal Dispute Resolution process.

The first step is to contact Your closest NTI office. Contact details can be obtained by visiting [www.nti.com.au](http://www.nti.com.au) and a brochure on Our Dispute Resolution System is available from all NTI offices.

### Internal Dispute Resolution – Complaints

Once You contact Us, Our staff will help You in every way they can.

If You are not satisfied with the outcome Your complaint will be referred to the staff member's supervisor who will deal with it promptly.

If You are still not satisfied Your complaint can be handled through Our Internal Dispute Resolution service by a different employee who has appropriate experience, knowledge and authority to conduct a full review. To access that service, ask the Supervisor or Manager You are dealing with to refer Your complaint to Our Dispute Resolution Officer. Your complaint will then be treated as a dispute.

### Internal Dispute Resolution – Disputes

We will notify You of the name and contact details of the employee assigned to liaise with You in relation to Your dispute. That employee will acknowledge receipt of Your dispute in writing, usually within five working days.

Provided that We have all the necessary information and no investigations are in progress, a final decision on Your dispute will be forwarded to You in writing, usually within 15 working days. Where further information or investigation are required, We will endeavour to agree a reasonable time frame extension with You.

We have 45 days to respond from the date that Your complaint is received. Our response will include:

- a. reasons for Our decision;
- b. information about how to access Our External Disputes Resolution (**EDR**) Scheme; and
- c. notify You of the time frame within which You must register Your dispute with the EDR Scheme, (usually within two years of Our final decision).

### External Dispute Resolution

Our Internal Dispute Resolution Service is designed to seek to resolve any complaints or disputes that may arise. However, if We are unable to resolve Your dispute to Your satisfaction within 45 days, We will inform You of the reasons for the delay and that You can take Your dispute to Our EDR scheme, administered by the Financial Ombudsman Service (**FOS**), even if We are still considering it (and provided Your dispute is within FOS's Terms of Reference). We are a member of FOS which is an ASIC approved external dispute resolution scheme and it may be able to resolve Your dispute.

Before the end of that 45 day period We will inform You that You have this right and details of how to access Our EDR Scheme.

FOS is responsible for monitoring compliance with the General Insurance Code of Practice. It is available to customers and third parties who fall within its Terms of Reference and is an impartial body that is completely independent of Us. FOS will initially determine whether Your dispute falls within its Terms of Reference and will notify You whether it may proceed to review Your dispute.

Your dispute must be lodged with FOS within two years of the date of Our final decision.

Where FOS's Terms of Reference do not extend to Your dispute We will advise You to seek independent legal advice or give You information about other external dispute resolution options, if any, that are available to You.
