About this booklet

This booklet is a Product Disclosure Statement (PDS) and is also the Policy Wording. Other documents may comprise the PDS and we will tell you if this is the case in the relevant document.

This booklet has two (2) parts: Important Information to help you understand the insurance, and the Policy Wording, which sets out terms and condition of the cover provided. It is up to you to choose the cover you need. Any advice in this booklet is general in nature only and has not considered your objectives, financial situation or needs. You should carefully consider the information provided having regard to your personal circumstances to decide if it is right for you.

Updating our PDS

We may update the information contained in this PDS when necessary. A paper copy of any updated information is available to you at no cost by calling us. We will issue you with a new PDS or a supplementary PDS, where the update is to rectify a misleading or deceptive statement or omission, which is materially adverse from the point of view of a reasonable person deciding whether to obtain or renew this insurance.

Important Information

The information provided in this section includes high level information about this Policy including your duty of disclosure, privacy, how to make a claim, our dispute resolution process and other relevant information. This section may also set out other information such as options in cover you can choose from, factors that affect the cost and any cooling off rights.

The Policy Wording section sets out the detailed terms, conditions and exclusions relating to the insurance.

If we issue you with a Policy, you will be given a Policy Schedule. The Policy Schedule sets out the specific terms applicable to your cover and should be read together with the Policy Wording.

The Policy Wording and Policy Schedule form your legal contract with us so please keep them in a safe place for future reference. You should check the Policy Schedule, or renewal schedule if you are issued one, when you receive it to ensure it accurately states what you have insured.

Duty of disclosure

New business

What you must tell us

When answering our questions, you must be honest and you have a duty under the law to tell us anything known to you, and which a reasonable person in the circumstances would include in answer to the questions. We will use the answers in deciding whether to insure you and anyone else to be insured under this insurance and on what terms.

Who needs to tell us

It is important that you understand you are answering our questions in this way for yourself and anyone else who is an insured under this insurance.

If you do not tell us

If you do not answer our questions in this way, we may reduce or refuse to pay a claim, or cancel your insurance. If you answer our questions fraudulently, we may refuse to pay a claim and treat the insurance as never having worked.

Renewals, variations, extensions and reinstatements

Once your insurance is entered into and is no longer new business then your duty to us changes. You are required before you renew, vary, extend or reinstate your insurance, to tell us everything you know and that a reasonable person in the circumstances could be expected to know, is a matter that is relevant to our decision whether to insure you, and anyone else to be insured under this insurance, and if so, on what terms.

You do not have to tell us about any matter:

- that diminishes the risk to be undertaken by us;
- that is of common knowledge;
- that we know or should know or, in the ordinary course of our business, we ought to know;
- as to which compliance with your duty is waived by us.

Non-disclosure

If you fail to comply with your duty of disclosure, we may be entitled to reduce our liability under the insurance in respect of a claim or may cancel the insurance.

If your non-disclosure is fraudulent, we may also have the option of avoiding the insurance from its beginning.

You must disclose to us all previous claims

You are asked at the time you take out this insurance to give us full and correct details concerning any:

- renewal or insurance policy declined, cancelled or refused, or where any excess was imposed;
- claim refused by an insurer;
- claim made;
- criminal conviction or finding of guilt for an offence,

in relation to you and your family because any of these may affect the premium and extent of insurance.

For example, we may be entitled to:

- charge you an additional premium;
- impose (back-dated) restrictions including declining your insurance back to when this information should have been provided;
- decline to insure your building, contents or valuables;
- refuse a claim.

When renewing your Policy with us you must also advise us of any changes to your:

- claims;
- insurance; or
- criminal history.

We will notify you in writing of the effect a change may have on your renewal.

Significant risks

This Policy may not match your expectations

This Policy may not match your expectations (for example, because an exclusion applies). You should read the entire PDS (and in particular the Policy Wording) carefully. Please ask your financial services provider if you are unsure about any aspect of this Policy.

Your sum insured may not be adequate

It is important that your vehicle and all accessories are insured for their current market values, as our liability is limited to the sum insured you declare to us or the market values of your vehicle and all its accessories, whichever is the lesser.

The amount of any claim may be reduced

The amount of any claim made against the Policy may be reduced:

- (a) if you do not comply with any Policy condition;
- (b) where an excess applies. 'Excess' means the first amount which you must contribute to any claim you make under this Policy. Depending on the age or experience of the driver and whether a rigid body tipper or tipping trailer is insured under this Policy, you may have to contribute more than one excess. Where an excess applies, the type and the amount will be shown in your Policy Schedule. If we accept your claim, we will deduct the excess shown in your current Policy Schedule from any amount we pay under your claim.

- Standard excess is the first amount you will have to contribute to every claim.
- Age or inexperienced driver excess is in addition to the standard excess and applies where a vehicle is driven by a person:
 - under the age of twenty one (21), or
 - aged twenty one (21) but under the age of twenty five (25), or
 - aged twenty five (25) or more but who has not held an Australian driver's licence for two (2) or more years for the type of vehicle being driven at the time of the incident.

This excess does not apply if the only damage to your vehicle is a broken windscreen, or window glass, or caused by storm or hail damage.
- Tipping excess is in addition to the standard excess and any age or inexperienced excess that may apply.
- Off road excess increases the excess payable by 100% when the vehicle is driven off road.
- Undeclared driver excess may be applicable.
- Rigid vehicle excess for rigid vehicles with a gross vehicle mass in excess of 12,000 kilograms.
- Learner driver excess may be applicable for vehicles with a gross vehicle mass less than 3,500 kilograms.
- Outside radius excess may be applicable for vehicles with a gross vehicle mass more than 3,500 kilograms.

There are some circumstances where an excess will not apply. Please refer to the section under claims headed 'What you must pay if you make a claim - Excess' in the Policy Wording section of this booklet.

The cost of this Policy

The total premium is the amount we charge you for this Policy. It includes the amount we have calculated for the risk and the taxes and government charges applicable. The premium will be shown on the Policy Schedule.

When calculating the premium we take a number of factors into account. These factors and the degree to which they affect the premium will depend on the information you give us, and the level and type of cover you choose. The main factors that impact your premium include:

- type of cover selected,
- the make, model and type of the insured vehicle,

- the place where the vehicle is garaged,
- previous insurance and claims history of the insured person and any drivers you have told us about.

How to make a claim

Full details of what you must do for us to consider your claim are provided in the 'Claims' section at the end of this booklet. To make a claim under this Policy please contact:

- your financial services provider.

We will only accept responsibility for repairs or payments to third parties under a claim where you have told us about them beforehand and we have accepted your claim. In an emergency outside normal business hours you may ring our emergency service on 1800 023 387 for assistance.

Taxation implications

There may be other taxation implications affecting you, depending upon your own circumstances. We recommend that you seek professional advice.

Cooling-off information

If you want to return your Policy after your decision to buy it, you may cancel it and receive a full refund. This cooling off right does not apply if you have made or are entitled to make a claim. Even after the cooling off period ends, you still have cancellation rights. However, we may deduct certain amounts from any refund (refer to the Policy Wording under the section 'General conditions - Cancelling your Policy').

To cancel your Policy within the cooling off period you must submit your request to us within twenty one (21) days of the commencement of your Policy. You can send your request to:

- your financial services provider electronically or in writing.

Dispute resolution

We will do everything possible to provide a quality service to you. However, we recognise that occasionally there may be some aspect of our service or a decision we have made that you wish to query or draw to our attention. We have a complaints and dispute resolution procedure which undertakes to provide an answer to your complaint within fifteen (15) working days.

If you would like to make a complaint or access our internal dispute resolution service please contact your nearest QBE office and ask to speak to a dispute resolution specialist. If you are not happy with our answer, or we have taken more than fifteen (15) working days to respond, you may take your complaint to the Financial Ombudsman Service (FOS), an ASIC approved external dispute resolution body.

The limits of cover applying to the cover selected by you and the amount of any excess that applies to your Policy, is shown on your Policy Schedule.

Your Policy

Your Policy consists of the Policy Wording in this booklet and the Policy Schedule we give you. Please keep them in a safe place for future reference.

Please check the Policy Schedule details to ensure it accurately states what you have insured. Be sure to check that the limits and sums insured are adequate.

You can pay your premium:

- in one annual payment by cash, cheque, credit card or EFTPOS, or
- in monthly instalments by direct debit from your credit card or from your account with your financial institution.

You must pay your annual premium by the due date to your financial services provider. If your premium is unpaid by this date or your payment is dishonoured this Policy will not operate and there will be no cover.

Paying your instalment premium

If you are paying your premium for the first time by instalments we will deduct instalments each month on the day of the month that you nominate as your payment date.

If you are renewing your Policy and you paid your previous Policy by instalments, we will continue to deduct instalments for your renewed Policy on the day of the month you previously nominated as your payment date, unless you tell us otherwise.

If you have nominated the 29th, 30th or 31st of the month as your payment date, we will deduct your instalment payment on the next day if those dates don't occur in a month.

Details of your instalments are shown on your Policy Schedule.

If your first instalment of premium when you take out your Policy or renew it is dishonoured, this Policy will not operate and there will be no cover.

We will not pay a claim under this Policy if, at the time the claim occurred, any instalment of premium has remained unpaid for fourteen (14) days or more.

If any instalment of premium has remained unpaid for 1 month, we may cancel this Policy. We will send you a notice giving you details of the action we intend to take and when any cancellation will become effective.

We are entitled to deduct from any amount we pay you under a claim any unpaid premium or instalment of premium.

If you are paying your premium in instalments by direct debit from your credit card or financial institution account, you must tell us if those details change. You must do this no later than seven (7) days before your next instalment is due.

- your vehicle,
- original Manufacturer's standard accessories, standard tools, standard appliances or standard options including built in radio receiver, CD and/or cassette player, air-conditioning, or any gate, chain, strap and tarpaulin attached to or within your vehicle,
- any fixed (built in) unspecified accessories up to \$2,500 (limited \$500 per item),
- any additional equipment or accessories, provided they have been advised to us and we have agreed to cover them.

Basis of settlement

We will, at our option, repair, reinstate or pay the amount of the loss of or damage to your vehicle and items referred to in items (b), (c) and (d) above under 'What you are insured against', at the time of such loss or damage, provided such payment does not exceed the market value or the sum insured whichever is the lesser amount, or agreed value depending on the cover stated on the Policy Schedule.

If it is necessary to repair your vehicle to a better condition than it was in before the loss or damage, then we may ask you to contribute the additional amount to repair it to the better condition.

We are entitled to replace damaged parts with new parts or used parts of similar age and condition and to those being replaced.

Salvage

If your vehicle is declared a total loss and we pay according to the cover provided by this Policy, you must allow us, if we require possession of your damaged vehicle. If we do not take possession of your damaged vehicle, you cannot abandon your responsibilities for it.

Unavailable Parts

In the event of an incident covered under this Policy, should any part of your vehicle and/or other insured property become unavailable in Australia, we will reimburse you, in accordance with the basis of settlement under 'What we will pay - Basis of settlement', but in no circumstances will we be liable for more than the cost of the parts plus the cost of freighting such parts by sea transport.

Should the cost of these parts plus the cost of the repairs exceed the sum insured or market value, whichever is the lesser, we reserve the right to declare the vehicle a total loss.

Financier

If your vehicle is the security for any finance agreement, then:

- we have the right to make claim payments to the financier, and
- any payment made to the financier will satisfy our obligation to you under this Policy for the amount paid.

Section 2: Third party liability - (applicable to registered vehicles only)

What you are insured against

Damage to property

Property damage

Provided your vehicle is registered in accordance with the requirements of State and or Territory laws, we will cover the amount you may be held legally liable to pay for accidental damage to property belonging to others occurring during the period of insurance, excluding goods being carried by you, caused by or arising out of:

- the use of your vehicle or any trailer or caravan attached to your vehicle, whether or not it belongs to you,

Pollution cleanup costs

If there is no other indemnity available under this policy, cover is extended to include your legal liability to cleanup or pay cleanup costs following sudden or unforeseen pollution or contamination of water, land or the atmosphere following an event covered under the policy. The maximum amount we will pay under this clause is \$1,000,000.

Substitute vehicle

We cover your legal liability to pay for accidental damage to property caused (otherwise covered under this section) by a vehicle being used by you as a substitute vehicle while your vehicle is being serviced, repaired or is not driveable.

We give you this benefit only if:

- one substitute vehicle is being used at any one time in place of your vehicle,
- the substitute vehicle is not already covered under another insurance policy, and
- the substitute vehicle is not owned by you and you have the owner's permission to drive it.

Your employer's or principal's liability

We will pay the amount your employer, principal or partner may be held legally liable to pay, for accidental damage to property (which is otherwise covered under this section) while you are using your vehicle on their business, as long as it is not a use that is excluded by this Policy as described under 'Use of the vehicle'.

Your liability as principal

We will cover your legal liability to pay for accidental damage to property belonging to others in respect of any motor vehicle not owned or supplied by you or hired to you, which is in the charge of or is being driven by a person authorised to use the motor vehicle on your behalf and in connection with your business.

Supplementary bodily injury

We will pay the amount which you, or any person driving, using or in charge of your vehicle with your permission may be held legally liable to pay by way of compensation or damages for death or bodily injury to persons arising out of the use of your vehicle in Australian States and Territories only.

We do not cover legal liability for death or bodily injury to:

- you or any person driving, using or in charge of your vehicle
- an employee of yours or who is deemed by any law to be your employee, arising out of their employment with you.

We do not provide cover:

- if your vehicle is not registered,
- if you or any person using your vehicle:
 - is wholly or partly covered under any compulsory statutory insurance scheme or accident compensation scheme, or
 - would have been entitled to be covered under any such scheme as it existed at the commencement date of the relevant period of insurance, even though there may have been a change in the law during that period of insurance, or
 - would have been entitled to be covered under any such scheme if it were not for the application of any excess or deductible applying under the scheme, or
 - would have been entitled to be covered under any such scheme had cover not been refused because you did not:
 - register your vehicle,
 - apply for cover under the scheme,
 - comply with a term or condition of the scheme,
- whilst your vehicle is being loaded or unloaded,
- if your vehicle is registered in the Northern Territory of Australia.

Legal costs

We will pay your reasonable legal costs and expenses in defending or settling claims if you have our agreement in writing. We pay this in addition to the amount payable under 'Damage to property' and 'Supplementary bodily injury'.

What we will pay

The maximum amount we will pay under section 2 of this Policy Wording in respect of all claims arising out of one incident or series of incidents arising out of one cause or event will not exceed:

Automatic additions - applicable to comprehensive and third party fire and theft cover

We will cover you for any additional or replacement vehicle(s) of a like kind or similar nature to those vehicles presently insured under this Policy, that you purchase or lease (not hired) during the period of insurance for thirty (30) days.

- \$300,000 in the case of comprehensive cover, or
- \$10,000 in the case of third party fire and theft cover.

If you give us details of any new or replacement vehicle within thirty (30) days of its purchase or lease, we will insure it for the remainder of the period of insurance, as long as it is acceptable to us and you pay any additional premium that we may require.

If you do not advise us within thirty (30) days of purchase or lease no cover is available.

Breach of general policy conditions - applicable to all types of cover

A breach or non-compliance with any general policy condition without the knowledge of you or any responsible officer will not affect your right to the cover under this Policy. However where you or any responsible officer becomes aware of such breach or non-compliance you will notify us immediately. If the risk is acceptable to us we will insure it for the remainder of the period of insurance and you will pay any extra premium we may require and comply with any additional conditions we may impose.

Removal of vehicle debris - applicable to all types of cover

Maritime liability - applicable to comprehensive cover only

If your vehicle is being transported by sea between Australian ports, we will cover you for your contribution for your vehicle if "general average" is declared.

All cargo owners share the expenses or salvage costs incurred by a ship owner in preserving the vessel and cargo including claims costs incurred by cargo owners.

Waiver of subrogation - applicable to all types of cover

We will not seek recovery between the persons, companies or firms named in the Policy Schedule as the insured.

New vehicle replacement - applicable to comprehensive cover only

Where your vehicle is a sedan, station wagon, panel van, 4x4, utility or truck with gross vehicle mass not exceeding 12,000 kilograms or a minibus with a carrying capacity of not greater than fifteen (15) persons, we will replace your vehicle with a new vehicle of the same make, model or series so long as it is available in Australia and:

- your vehicle is a total loss, and
- you purchased it new from the manufacturer or their dealer, and
- your vehicle is less than twenty four (24) months old from when it was first registered, and
- your declared sum insured equates to no less than 90% of market value, and
- where your vehicle is financed, your financier has given us written consent.

If a new replacement vehicle is not available, we will replace your vehicle with the nearest equivalent vehicle available, so long as it is available in Australia. If we cannot agree on a replacement vehicle, we will pay you the amount it would cost to buy a new vehicle the same as, or a near equivalent of, the vehicle which needs replacing.

If an excess is applicable it is payable to us before we replace your vehicle.

We also pay the registration for the period registered but not exceeding twelve (12) months, stamp duty and dealer charges on the new vehicle but any refund of registration fees or stamp duty applicable in respect to the old vehicle must be refunded to us.

Where your vehicle does not meet all of the criteria above, all total loss claims will be settled on the declared sum insured or the current market value at the time of the loss or damage, whichever is the lesser.

Where you choose to insure the replacement vehicle with us and we accept the risk, we will charge you a pro rata premium from the date of acceptance to the expiry date of the Policy.

Agreed sum insured - applicable to comprehensive cover only

Where your vehicle has a gross vehicle mass of 12,000 kilograms, or greater and provided the age of the vehicle at the time of such loss or damage, was not in excess of twenty four (24) months from the date of original registration as a new vehicle, by you, we will, in the event of your vehicle being classed as a total loss under this Policy, pay the sum insured declared to us, as the value of the vehicle at the commencement of the current period of insurance.

Car sharing - applicable to all types of cover

Payment made by passengers, as part of a car sharing agreement for social or other similar purpose, including travelling to and from work will not constitute the conveyance of passengers for hire, fare or reward provided that the total contribution received for the journey does not involve commercial use for profit.

Hire car cost following theft - applicable to comprehensive cover only

If your vehicle is stolen and the theft is covered under this Policy, we will cover you up to a maximum of \$5,000 for the reasonable costs of hiring a similar vehicle provided:

- we do not pay for hiring charges incurred after the date of recovery of your vehicle if it can be driven,
- cover is limited to thirty (30) days, and
- cover stops once we pay a claim, or the vehicle is repaired if undrivable.

You will need to organise and pay for the hire vehicle. We are not responsible for ensuring that a hire vehicle is available. You must also give us a copy of the rental agreement and any receipts for the vehicle before we will reimburse you.

We do not pay for:

- running costs, including the costs of fuel,
- damage to the hire vehicle,
- any insurance, insurance excess or other costs you may be liable for under the hire vehicle rental agreement.

No claim discount benefit - applies to comprehensive cover only

If your vehicle is insured for comprehensive cover and you do not have a claim, we apply a discount off your next year's renewal premium. This reward is called the 'No claim discount'.

The more 'claim free' years that you have, the greater the percentage of discount, until you reach the maximum level of discount after five (5) years. Even if you have a claim where your no claim discount would be affected, you may not lose all of your no claim discount. If you have a claim and you have not accumulated any no claim discount we may increase your invited renewal premium.

We also accept the number of claim free years that you may have accumulated with another insurer in calculating your no claim discount.

Accidents/losses affecting your no claim discount

When calculating your renewal premium we take into account accidents/losses that occur during the period of insurance that affect your no claim discount.

Faultless no claim discount - applicable to comprehensive cover only

If your vehicle has been involved in a collision with another vehicle (and not any other type of accident) we will not penalise your no claim discount entitlement when you renew your Policy if:

- you can satisfy us that the collision was totally the fault of the driver of another vehicle, and
- you tell us the registration number of the other vehicle and the full name, licence number and address of the other driver.

We give this benefit only if we are allowed legally to recover the amount of any loss including any applicable excesses from the third party.

This benefit does not apply to windscreen or window glass damage only claims.

Lease, hire purchase or financial agreement payout - applicable to comprehensive cover only

Where:

- your vehicle is declared a total loss, and
- your vehicle is subject to a lease, hire purchase or any financial agreement through a financial institution directly related to financing of the vehicle purchase, and
- the payout amount exceeds the agreed total loss amount,

we will pay:

- the agreed total loss amount, plus
- an additional amount of 25% of the total loss amount,

provided

- this amount and the total loss amount do not exceed the financial payout figure,
- that any payment over the agreed total loss amount does not include any amounts that are in arrears at the time of loss,
- that any additional payment over and above the agreed total loss amount will include any discounts applicable for full payment of the financial contract.

Funeral expenses - applicable to comprehensive cover only

As a result of an accident in an insured vehicle covered under the Policy your driver sustains a fatal injury, whether or not death occurs at the time of the loss we agree to pay for associated burial or cremation costs and include travel costs within Australia for the deceased driver or any member of the immediate family. This benefit will not be reduced by any accident compensation and we will pay up to \$5,000 in total any one period of insurance.

Tyre replacement - applicable to comprehensive cover only

If we agree to pay a claim and any tyre cannot be used as a direct result of damage sustained from a loss covered under this Policy, we will pay for the new replacement cost of a similar make and specification. This benefit is applicable provided that the condition of the damaged tyres remaining tread conforms with legal requirements at the time of damage and it was not a recapped or retread tyre.

Locks and keys - applicable to comprehensive cover only

If your keys are lost, destroyed or damaged, or if there are reasonable grounds to believe the keys may have been illegally duplicated, we will pay the costs of replacing and recoding the locks and/or keys. We will pay up to \$5,000 during any one period of insurance and this benefit is not subject to loss or damage to the vehicle covered under the Policy.

Fire brigade and/or emergency services charges - applicable to all types of cover

If we agree to pay a claim under the Policy and you are legally liable for fire extinguishment costs charged by the Fire Brigade or emergency services costs, we will pay up to \$20,000 during any one period of insurance only.

Driver's personal property - applicable to comprehensive cover only

We will cover the loss or damage to wearing apparel and personal property belonging to the driver not otherwise insured while contained in the insured vehicle provided:

- money, securities, jewellery, furs, mobile phones, personal music devices, portable GPS, tools of trade and laptop computers are excluded from this cover, and
- the maximum amount we will pay is limited to \$2,000 arising from any one incident.

Windscreen or window glass claim benefit - applicable to comprehensive cover only

We will not reduce your no claim discount for any windscreen or window glass only claim.

For the purpose of this benefit 'broken' shall mean a fracture that extends through the entire thickness of the glass or where the windscreen is laminated, a fracture extending through all layers of the lamination, or where the damage is sufficient to prevent registration by the appropriate authorities.

Uninsured motorist's benefit - applies to third party fire and theft or third party property damage cover only

At our option we will either repair your vehicle to its condition immediately prior to the time of loss or pay you the cost of repairs to your vehicle resulting from accidental loss or damage to your vehicle, if you can satisfy us that the accident which gave rise to the claim was totally the fault of the driver of another vehicle and:

- you tell us the registration number of the other vehicle and the name and address of the driver of the other vehicle, and
- at the time of the loss or damage the driver of the other vehicle was not insured for their third party liability, and
- at the time of the loss or damage the other vehicle was not owned or registered in your name or in the name of a person who is a relative of yours or any person with whom you normally reside.

The maximum amount we will pay under this benefit for all claims from any one accident or series of accidents arising out of the one cause or event is the lesser of \$5,000 or the market value of your vehicle at the time of the loss or damage.

If we pay you the market value of your vehicle, then your vehicle in its damaged condition will become (at our option), our property.

Choice of repairer - applicable to all types of cover

You may choose any licensed repairer to repair your vehicle. However we may invite, accept, adjust or decline estimates or arrange to move your vehicle to another repairer acceptable to both of us.

Driver accident compensation benefit - applicable to comprehensive cover only

(Available only to drivers of vehicles that are sedans, station wagons, panel vans, utility, 4x4 or goods carrying vehicles with a gross vehicle mass less than 3,500 kilograms)

We will pay the following compensation to a driver of your vehicle who is injured and who as a direct result suffers a permanent disability, as defined and as a result of the accident while driving your vehicle.

Compensation will only be payable if:

- the driver was driving your vehicle with your consent and is licensed to drive such a vehicle,
- the driver was not under the influence of alcohol or any narcotic depressant stimulant or hallucinogenic drug, as defined under 'Additional exclusion 12',
- the claim has been accepted under this Policy, and
- the driver is not entitled to any benefits under any compulsory statutory insurance scheme or accident compensation scheme or would have been so entitled if:
 - it were not for the application of any excess or deductible applying under the scheme, or
 - compensation under the scheme had not been refused, because you did not register your vehicle or apply for cover under the scheme.

Table of compensation benefit

Disability from an injury resulting in a compensation	Compensation amount
Permanent quadriplegia	\$100,000
Permanent paraplegia	\$75,000
Permanent total disablement	\$50,000
Permanent loss of entire sight in both eyes	\$25,000

The medical diagnosis of the injury leading to the permanent disability must be made within 90 days of the date of accident for any of the benefits to be given.

The establishment of a permanent disability will be solely determined by our medical specialist.

We will not pay a benefit claim until the injury is stabilised, or our medical specialist has confirmed that in their opinion, the injury is of a permanent nature and the injury will not be likely to significantly improve.

Unless the injured driver undergoes all medical examinations organised by us in order to assess the claim no compensation will be payable by us. (We will arrange the examinations and pay the costs associated which includes reasonable travel expenses for any examinations arranged by us.)

Vehicle recovery costs - applicable to comprehensive cover only

Where your motor vehicle becomes unintentionally immobilised on a work site or in a physical situation whilst being used as part of your normal business operations we shall cover the cost of recovery or removal toward mobilisation of your motor vehicle.

We will not pay for immobilisation as a result of electronic, electric, or mechanical failure or malfunction, or normal wear and tear.

At all times we will pay a maximum of \$20,000 during the period of insurance for this additional benefit.

Removal of load - applicable to comprehensive cover only

We will cover you for up to a maximum of \$20,000 any one event for the necessary and reasonable cost to remove the vehicles load and or cleanup the load debris for goods falling from your vehicle or being damaged following loss or damage to your vehicle. We do not cover any damage to your load.

- are, at the time of the accident, on maximum no claim discount, and
- do not have more than one claim, where this clause is applicable, in any one annual period of insurance.

In addition if you report an incident or loss after we have advised renewal terms we reserve the right:

- to revise our renewal terms,
- where the Policy has been renewed and a claim has been reported that occurred in the previous period of insurance to charge any additional premium relative to the reported loss,
- where the Policy has been renewed, to reduce the period of insurance in proportion to the amount due if that additional amount is not paid within 28 days of notification.

All persons or companies bound by this Policy and its provisions

All persons or companies entitled to any benefit under this Policy are bound by the terms and conditions of this Policy. We may refuse a claim if you or any of them are in breach of any of the terms and conditions of this Policy including any endorsements noted or attached to the Policy Schedule, except as allowed in 'Additional benefits - Breach of conditions'.

Cancelling your Policy

How you may cancel this Policy

- You may cancel this Policy at any time by telling us in writing that you want to cancel it.
- Where 'you' involves more than one person, we will only cancel the Policy when a written agreement to cancel the Policy is received from all persons named as the insured.

How we may cancel your Policy

- We may cancel this Policy in any of the circumstances permitted by law (e.g. failure to pay the premium by the due date) by informing you in writing
- We will give you notice in person or send it to your address (including an electronic address) last known to us.

Where you have paid your premium in advance of the date you wish to cancel from, we will refund to you the proportion of the premium for the remaining period of insurance. Unless directed otherwise by all insured, the refund will be made payable to all insured.

Changing your Policy

If you want to make a change to this Policy, the change becomes effective when:

- we agree to it; and
- we give you a new Policy Schedule detailing the change.

Changes to your circumstances

You must tell us as soon as possible if circumstances occur, or if changes or alterations are intended or made which increase the risk of loss, damage or injury.

Examples of circumstances where the risk of loss, damage or injury may increase include where:

- a change to the ownership of your vehicle;
- a change of address;
- a change to the vehicle you wish to be insured by this Policy;
- a new regular driver of your vehicle;
- a modification to your vehicle, to the manufacturer's specifications to improve your vehicle's performance, but only if your vehicle is a sedan, station wagon, panel van, 4x4 or a goods carrying vehicle with a gross vehicle mass under 3,500 kilograms;
- the addition of a non-standard accessory.

If you wish to insure any fitted non-standard accessory or modification, each one must be advised to us for our acceptance, which we will confirm by issuing an alteration advice.

Please note that we may require you to pay an additional premium as a result of any of these changes.

Contribution

If at the time of any loss, damage or liability there is any other insurance (whether effected by you or by any other person) which covers the same loss, damage or liability you must provide us with any reasonable assistance we require to make a claim for contribution from any other insurer(s).

Cover comes to an end following total loss

Where this Policy covers more than one vehicle then this clause will only apply to the particular vehicle which has been treated as a total loss.

If we declare your vehicle a total loss and pay you the sum insured, market value or replace your vehicle, then the Policy will come to an end for that vehicle and you will no longer have any cover for it. This means you will not be entitled to make any further claim for that vehicle under this Policy and:

- where the premium has been paid in full for the period of insurance there will be no refund of any premium, or
- where the premium is paid by instalments, we are entitled to deduct from any claim paid or payable, the balance of the unpaid premium or instalments of premium.

Where we replace your vehicle with a new vehicle, as set out in 'Additional benefits - New vehicle replacement' and you choose to insure it with us and we accept the risk, a pro rata premium is payable.

Notices

Any notice we give you will be in writing, and it will be effective:

- If it is delivered to you personally; or
- It is delivered to you at your address (including an electronic address) last known to us.

It is important for you to tell us of any change of address as soon as possible.

Other interests

You must not transfer any interests in this Policy without our written consent.

Any person whose interests you have told us about and we have noted on your Policy Schedule is bound by the terms of this Policy.

Other party's interests

You must tell us of the interest of all parties (e.g. financiers, lessors or owners) who will be covered by this insurance. We will protect their interests only if you have told us about them and we have noted them on your Policy Schedule.

Protection of insured vehicles

You must take all reasonable precautions for the care, safety and protection of the vehicles covered under this Policy and comply with all statutory obligations, by-laws and regulations imposed by any public authority for the safety, use and storage of the insured vehicles.

Preventing our right of recovery

If you have agreed not to seek compensation from another person who is liable to compensate you for any loss, damage or liability which is covered by this Policy, we will not cover you under this Policy for that loss, damage or liability.

Providing proof

You must be able to prove to us that you have suffered a loss that is covered by this Policy before we will pay you for it. We may ask you for this proof if you make a claim under this Policy. So that your claim can be assessed quickly you should keep the following:

- receipts or other confirmation of purchase of your vehicle and any accessories; and
- all service and repair records.

Claims

What you must do after an accident or theft

If an incident happens which may give rise to a claim you must:

- take all reasonable steps to protect or safeguard your vehicle from further loss, damage or theft,
- notify the police immediately if your vehicle or any of your property is stolen or maliciously or intentionally damaged,
- tell us or your financial services provider as soon as possible. You will be provided with a claim form and advice on what to do,
- supply us with all information we require to settle or defend the claim,
- notify us of any other insurance covering the same loss, damage or liability,
- co-operate with us fully in any action we take if we have a right to recover any money payable under this Policy from any other person,
- provide to us full details in writing as soon as possible after the happening of any accident or occurrence, which may become the subject of a claim under this Policy,
- send to us immediately any letter or communication from other parties,
- tell us immediately of any notice of impending prosecution or details of any inquest or official inquiry,
- give all information and assistance we may require to handle any claim that you make under this Policy.

In an emergency outside normal business hours you may call our emergency service on 1800 023 387 for assistance.

If in doubt at any time, call us or your financial services provider.

What you must not do after an accident or theft

In the event of an incident that may give rise to a claim, you must not:

- admit liability if an accident occurs which is likely to result in someone claiming against you,
- make an offer, settlement, promise or payment,
- incur any costs or expenses without our written consent, in respect of any right or claim which may be the subject of a claim by you against us under this Policy,
- authorise repairs to your vehicle without our prior consent. However you may authorise:
 - the fitting of an identical replacement windscreen or window glass;
 - repairs up to \$2,000 (over and above any applicable excesses) if you are more than 200 kilometres from the normal nightly parked address and they are necessary to enable you to continue your journey.

What we do

We may take over and conduct the defence or settlement of any claim or issue legal proceedings for damages. If we do this we will do it in your name. We have full discretion in the conduct of any legal proceedings and in the settlement of any claim. You must co-operate by giving us any statements, documents or assistance we require. This may include giving evidence in any legal proceedings.

What can affect a claim

We will reduce the amount of a claim by the excess shown in the Policy Wording or on the Policy Schedule.

We may refuse to pay a claim if you are in breach of your duty of disclosure or any of the conditions of this Policy, including any endorsements noted on or attached to the Policy Schedule.

We pay only once for loss or damage from the same event covered by this Policy even if it is covered under more than one section of the Policy.

We may be entitled to refuse to pay or to reduce the amount of a claim if:

- it is in any way fraudulent, or
- any fraudulent means or devices are used by you or anyone acting on your behalf to obtain any benefits under this Policy.

Repair guarantee

If we authorise repairs to your vehicle, we will guarantee the quality of the repairs for any defect due to faulty workmanship or faulty material for the life of your vehicle. For entitlement to any repairs under this guarantee you must first allow us to inspect the vehicle and we must agree that repairs are necessary.

Recovery Action and Uninsured loss/s

If we pay your claim, we may seek to recover the amount paid to you from the third party who caused the loss. We will do this in your name and you must assist us with any reasonable requests.

If you have suffered loss which was not covered by this policy as a result of the incident, we may offer to attempt to recover this for you. You might specifically ask us to recover this for you. You will need to give us documents supporting your loss. Before we include any uninsured loss in the recovery action we will also ask you to agree to the basis on which we will handle your recovery action. You may need to contribute to costs in some circumstances.

How GST affects any payments we make

The amount of premium payable by you for this Policy includes an amount on account of the GST on the premium.

When we pay a claim, your GST status will determine the maximum amount we pay.

When you are:

- not registered for GST, or are otherwise not entitled to claim an Input tax Credit the maximum amount we pay is the sum insured or the other limits of insurance cover including GST, and the sum insured and other limits of insurance cover shown on your Policy documentation are inclusive of GST;
- registered for GST, we will pay the sum insured/limit of indemnity or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the Policy) we will pay for the GST amount.

We will reduce the GST amount we pay by the amount of any input tax credits to which you are or would be entitled if you made a relevant acquisition.

In these circumstances, the Input Tax Credit may be claimable through your Business Activity Statement (BAS), and the sum insured and other limits of insurance cover shown on your Policy documentation are exclusive of GST.

You must advise us of your correct Australian Business Number & Taxable Percentage. Any GST liability arising from your incorrect advice is payable by you.

Where the settlement of your claim is less than the sum insured or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, Input Tax Credit, Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in *A New Tax System (Goods and Services Tax) Act 1999* (Cth) and related legislation as amended from time to time.

Taxable Percentage is your entitlement to an Input Tax Credit on your premium as a percentage of the total GST on that premium.

What you must pay if you make a claim - Excess

'Excess' means the first amount you must contribute to any claim you make under this Policy.

Depending on the age or experience of the driver, and whether a rigid body tipper or tipping trailer is insured under this Policy, you may have to contribute more than one excess. Each excess is shown on your Policy Schedule and is explained below.

If we accept your claim, you must pay the total amount of the applicable excesses either to us or to the repairer. We will tell you to whom they must be paid. However, if your vehicle is a total loss, we may deduct any excess that you must pay from any payment we make.

In regard to rigid and articulated vehicles with attached trailers then the higher excess of these vehicles will apply.

Standard excess

You will have to contribute the first amount of every claim. This amount is shown on the Policy Schedule as the standard excess.

Age or inexperienced driver excess

This excess is only applicable to vehicles with a gross vehicle mass less than 12,000 kilograms.

In addition to the standard excess, you will have to contribute an age excess or inexperienced driver's excess if at the time of any incident giving rise to a claim your vehicle is driven by a person who:

- is under the age of twenty one (21), or
- is aged twenty one (21) but under the age of twenty five (25), or
- is aged twenty five (25) or more but has not held an Australian driver's licence for two or more years for the type of vehicle being driven at the time of the incident.

The amount of the age or inexperienced driver's excess is shown on your Policy Schedule. You will not have to contribute this additional excess if the only damage to your vehicle is a broken windscreen or window glass, or caused by storm or hail damage.

Heavy vehicle age and inexperienced driver's excess

Age or inexperienced driver excess for heavy vehicles (vehicles with a gross vehicle mass or gross combination mass of 12,000 kilograms or greater).

Where a rigid body motor vehicle with a gross vehicle mass or gross combination mass of 12,000 kilograms or greater is, at the time of an incident, being driven by or is in the charge of a person under twenty one (21) years of age, or the person driving or in charge of the vehicle has less than two (2) years driving experience in Australia for these vehicles at the time of the incident an excess of \$5,000 per vehicle will apply.

Where an articulated motor vehicle with a gross combination mass of 12,000 kilograms or greater is, at the time of an incident, being driven by or is in the charge of a person under twenty five (25) years of age, or the person driving or in charge of the vehicle has less than two (2) years driving experience in Australia for these vehicles at the time of the incident an excess of \$5,000 per vehicle will apply.

Undeclared driver's excess - only applicable if noted on your Policy Schedule

In addition to any other excesses which apply, you will have to contribute an undeclared driver's excess if, at the time of an incident which gives rise to a claim, your vehicle was being driven by or in the charge of a person:

- who is a member of your family and they normally live with you, and
- whose name has not been shown as a driver on your Policy Schedule.

You will not have to pay this excess if:

- the driver of your vehicle is over twenty five (25) years of age and has not been convicted of driving under the influence of alcohol or had their licence suspended or cancelled in the 5 years immediately before the accident or loss, or
- you satisfy us that an emergency existed, or
- the use of your vehicle is shown as business on the Policy Schedule, or
- the only damage to your vehicle is a broken windscreen, window glass, hail damage, or loss or damage which occurs when the vehicle is parked or unattended.

The amount of the undeclared driver's excess is shown on your Policy Schedule if applicable.

Tipping excess

If any rigid body tipper or tipping trailer covered under this Policy is involved in an event giving rise to a claim while the tipping hoist is partially or fully extended, the standard excess as stated on the Policy Schedule in addition to any other excesses that may be applicable will be increased by 100%.

Off road excess (applicable only to vehicles that are sedans, station wagons, panel vans, 4x4 or goods carrying vehicles with a gross vehicle mass less than 3,500 kilograms)

The standard excess plus any other applicable excesses payable under the Policy will be increased by 100% if your vehicle is damaged while it is being driven on any beach or off any public road (excluding driveways) or on land not belonging to you.

Theft excess

If your vehicle is stolen you must contribute an excess for theft if shown on the Policy Schedule, which is in addition to any other excesses payable.

Outside radius excess (applicable to vehicles with a gross vehicle mass greater than 3,500 kilograms and less than 12,000 kilograms)

If your vehicle is outside a radius of 250 kilometres or the radius detailed on your Policy Schedule from your home, base(s) or depot(s) at the time of an accident then the total excesses payable will be an additional 100% of your standard excess and an additional premium will be payable (determined by us) for the change in business operations.

Outside radius excess (applicable to vehicles with a gross vehicle mass or gross combination mass greater than 12,000 kilograms)

If your vehicle is outside a radius of 250 kilometres or the radius detailed on your Policy Schedule from your home, base(s) or depot(s) at the time of an accident then the total excesses payable will be increased by 100% and an additional premium will be payable (determined by us) for the change in business operations.

Learner driver excess

If at the time of a loss or damage a licensed learner driver is in control of the vehicle the excesses that will apply are those that would have applied to the licensed passenger who is instructing the learner.

When you will not have to pay an excess

This section is applicable only to vehicles that are sedans, station wagons, panel vans, 4x4 or goods carrying vehicles with a gross vehicle mass less than 3,500 kilograms covered by comprehensive cover only.

You will not have to contribute any excess towards a claim if:

- (a) you can satisfy us that the claim involves a collision with another vehicle and the collision which gave rise to the claim was totally the fault of the driver of another vehicle, and
- (b) you tell us the registration number of the other vehicle and the full name, details and address of the other driver, and
- (c) the amount of your claim exceeds the applicable excesses under the Policy.

We give this benefit only if we are allowed legally to recover the amount of any loss including any applicable excesses from the third party.

Where the driver of the other vehicle disputes who was at fault, you must pay any excess which applies but we will refund it if we are successful in establishing that the other driver was at fault.
