General Information

The General Information set out below is provided for your information only. It does not form part of the insurance contract with you, and is not part of the policy.

Nothing contained in the General Information imposes contractual obligations on you, or creates contractual rights. These are contained in the policy and any endorsement.

Claims made

Section 5 of the policy operates on a 'claims made and notified' basis. This means that the policy section covers you for claims made against you and notified to us during the period of insurance.

The policy section does not provide cover in relation to:

- acts, errors or omissions actually or allegedly committed prior to the retroactive date of the policy (if such a date is specified);
- claims made after the expiry of the period of insurance even though the event giving rise to the claim may have occurred during the period of insurance;
- claims notified or arising out of facts or circumstances notified (or which ought reasonably to have been notified) under any previous policy;
- claims made, threatened or intimated against you prior to the commencement of the period of insurance;
- facts or circumstances of which you first became aware prior to the period of insurance, and which you knew or ought reasonably to have known had the potential to give rise to a claim under this policy section;
- claims arising out of circumstances noted on the proposal form for the current period of insurance or on any previous proposal form.

Where you give notice in writing to us of any facts that might give rise to a claim against you as soon as reasonably practicable after you become aware of those facts but before the expiry of the period of insurance, you may have rights under Section 40(3) of the Insurance Contracts Act 1984 to be indemnified in respect of any claim subsequently made against you arising from those facts notwithstanding that the claim is made after the expiry of the period of insurance. Any such rights arise under the legislation only. The terms of the policy section and the effect of the policy section is that you are not covered for claims made against you after the expiry of the period of insurance.

- decide whether this insurance will meet Your needs; and
- compare it with other products You may be considering.

Please note that any recommendation or opinion in this document is of a general nature only and does not take into account Your objectives, financial situation or needs.

You need to decide if this insurance is right for You and You should read all of the documents that make up the Policy to ensure You have the cover You need.

Preparation date: 30/04/2013.

Our contract with You

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You (see the definition of “You” for details of who is covered by this term). The Policy consists of:

- this document which sets out the standard terms of Your cover and its limitations;
- Your current Schedule issued by Us. The Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant to You that amend the standard terms of this document. Only those sections shown as covered in Your Schedule are insured; and
- any other change to the terms of the Policy otherwise advised by Us in writing (such as an endorsement or Supplementary PDS). These written changes may vary or modify the above documents.

These are all important documents and should be carefully read together and kept in a safe place for future reference.

We reserve the right to change the terms of the Policy where permitted to do so by law.

Any new or replacement Schedule We may send You, detailing changes to Your insurance or the Period of Insurance, will become the current Schedule, which You should carefully read and retain.

Cooling off period and cancellation rights

You can exercise Your cooling off rights and cancel the Policy within fourteen (14) days of the date You purchased the Policy and receive a refund of the premium paid, provided You have not exercised any right or power under the Policy (e.g made any claim) and these rights and powers have not ended.

We may deduct any reasonable administrative and transaction costs incurred by Us that are reasonably related to the acquisition and termination of the Policy and any government taxes or duties We cannot recover, from Your refund amount.

After the cooling off period has ended, You still have cancellation rights, however We may deduct a pro rata proportion of the premium for time on risk, plus any reasonable administrative costs and any government taxes or duties We cannot recover (refer to “General conditions applicable to all Sections of this Policy” “Cancellation rights” on page 10, for full details).

What is covered

Where We have entered into a Policy with You, We will insure You for:

- loss or Damage caused by one or more of the covered insured events; and
- the other covered benefits, as set out in the Policy occurring during the Period of Insurance.

Other persons may be entitled to cover, but only if specified as so entitled and limited only to the extent and interest specified.

Cover is provided on the basis:

- that You have paid or agreed to pay Us the premium for the cover provided;
- of the verbal and/or written information provided by You which You gave after having been advised of Your Duty of Disclosure either verbally or in writing.

If You failed to comply with Your Duty of Disclosure or have made a misrepresentation to Us, We may be entitled to reduce Our liability under the Policy in respect of a claim and/or We may cancel Your Policy. If You have told Us something which is fraudulent, We also have the option of avoiding Your Policy (ie treating it as if it never existed).

Your Duty of Disclosure and the consequences of nondisclosure, are set out under the heading ‘Your Duty of Disclosure’, on page 5.

Some words have special meanings

Certain words used in the Policy have special meanings. The General definitions section of this document on pages 7 and 8 contains such terms. In some cases, certain words may be given a special meaning in a particular section of the Policy when used or in the other documents making up the Policy.

Headings are provided for reference only and do not form part of the Policy for interpretation purposes.

Your obligation to comply with the Policy terms and conditions

You are required to comply with the terms and conditions of the Policy. Please remember that if You do not comply with any term or condition, We may (to the extent permitted by law) decline or reduce any claim payment and/or cancel Your Policy.

If more than one person is insured under the Policy, a failure or wrongful action by one of those persons may adversely affect the rights of any other person insured under the Policy.

How to make a claim

If You need to make a claim under the Policy, please refer to 'Claims procedure' from page 12.

How We settle claims

Where We agree to reinstate or replace Damaged property, We will replace Your property with new goods or repair it using new materials. If You ask for a cash settlement instead, We will deduct an amount for wear, tear and depreciation. This amount depends on the age of the Damaged item and the expected useful life.

If You replace an item without Our authority, We will only pay You what We could have replaced it for using trade discounts that are available to Us. More details around how We settle claims are provided in this document under the Basis of Settlement sections within each cover section.

How We calculate Your premium

The amount of Your premium is determined by taking a number of different matters into account. You can seek a quote at any time.

It is important for You to know in particular that the premium varies depending on the information We receive from You about the risk to be covered by Us. The higher the risk is (e.g. high claims experience), the higher the premium will be. Based on Our experience and expertise as an insurer, We decide what factors increase Our risk and how they should impact on the premium.

We calculate Your premium on the basis of information that We receive from You when You apply for insurance. Some factors impacting premiums include:

- Your nominated Sum Insured;
- where Your Building is situated;
- the materials used in the construction of Your Building(s);
- what Your Building is used for (eg. private residence, holiday home, rental property);
- security measures used for Your Property Insured (eg. alarms, deadlocks); and
- any additional Excess You nominate to pay above Our basic Excess. This means that when You purchase a Policy You may elect to take a higher Excess in the event of a claim, which will reduce the cost of Your premium. If You are interested in this, You should ask Your intermediary or Us to supply You with quotes based on differing amounts of Excesses.

Your premium also includes amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty,

GST, Emergency and Fire Services Levy) in relation to Your Policy. These amounts will be set out separately on Your Schedule of insurance as part of the total premium payable.

In cases where We are required to pay an estimated amount (e.g. for Fire Services Levies) based on criteria set by the Government, We allocate to the Policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular year but We will not adjust Your premium because of this. You can ask Us for more details if You wish.

Minimum premiums may apply. In some cases, discounts may apply if You meet certain criteria We set. Any discounts/entitlements only apply to the extent any minimum premium is not reached. If You are eligible for more than one, We also apply each of them in a predetermined order to the premium (excluding taxes and government charges) as reduced by any prior applied discounts/entitlements. Any discounts will be applied to the base premium calculated prior to any taxes being added.

When You apply for this insurance, You will be advised of the total premium amount payable, when it needs to be paid and how it can be paid. This amount will be set out in the Schedule, which will be sent to You after the entry into the Policy. If You fail to pay We may reduce any claim payment by the amount of premium owing and/or cancel the Policy. Special rights and obligations apply to instalment premium payments as set out below.

Instalment premiums

If You pay Your premium by instalments refer to the "General conditions applicable to all Sections of this Policy" section for important details on Your and Our rights and obligations. Note that an instalment premium outstanding for 14 days allows Us to refuse to pay a claim.

In some cases a service fee will apply where You select to pay Your premium by instalments. We tell You the total amount payable when You apply and when and how it can be paid. This is confirmed in the Schedule We issue to You.

Renewal procedure

Before Your Policy expires We will advise You whether We intend to offer renewal and if so on what terms.

This document also applies for any offer of renewal We may make, unless We tell You otherwise.

It is important that You check the terms of any renewal offer before renewing to satisfy Yourself that the details are correct. In particular, check the Sum Insured amounts and Excess(es) applicable and ensure the levels of cover are appropriate for You.

Please note that You need to comply with Your Duty of Disclosure before each renewal (see below).

Your Duty of Disclosure

Before You enter into the Policy with Us, the Insurance Contracts Act 1984 requires You to provide Us with the information We need to enable Us to decide whether and on what terms Your application for insurance is acceptable and to calculate how much premium is required for Your insurance.

The Act imposes a different duty the first time You enter into the Policy with Us to that which applies when You renew, vary, extend, reinstate or replace the Policy. We set these two duties out below.

Your Duty of Disclosure when You enter into the Policy with Us for the first time

You will be asked various questions when You first apply for the Policy. When You answer these questions, You must:

- give Us honest and complete answers;
- tell Us everything that You know; and
- tell Us everything that a reasonable person in the circumstances could be expected to tell Us.

Your Duty of Disclosure when You renew, vary, extend, reinstate or replace the Policy

When You renew, vary, extend, reinstate or replace the Policy, Your duty is to tell Us before the renewal, variation, extension, reinstatement or replacement is made, every matter which:

- You know; or
- a reasonable person in the circumstances could be expected to know,

is relevant to Our decision whether to insure You and whether any special conditions need to apply to the Policy.

What You do not need to tell Us for either duty

You do not need to tell Us about any matter:

- that diminishes Our risk;
- that is of common knowledge;
- that We know or should know as an insurer; or
- that We tell You We do not need to know.

Who does the duty apply to?

The Duty of Disclosure applies to You and everyone that is an insured under the Policy. If You provide information for another insured, it is as if they provided it to Us.

What happens if the Duty of Disclosure is not complied with?

If the Duty of Disclosure is not complied with We may cancel the Policy and/or reduce the amount We pay if You make a claim. If fraud is involved, We may treat the Policy as if it never existed, and pay nothing.

Privacy Act 1988 – Information

We collect Your personal information directly from You where reasonably practicable or if not, from other sources. We collect it to provide Our various services and products (e.g. to market, arrange and administer insurance and to handle and settle claims) and to conduct market or customer research. We also use it to develop and identify services of Our related companies and alliance partners that may interest You (but You can opt out of this by calling the Allianz Direct Marketing Privacy Service Line on 13 2664 EST 8am-6pm, Monday to Friday or indicate Your decision in the appropriate area of the Privacy section of Our website at www.allianz.com.au). If You do not provide the information We require We may not be able to provide You with this service.

We disclose information to third parties who assist Us in the above (e.g. insurers, insurance intermediaries, insurance reference bureaus, related companies, Our advisers, persons involved in claims, external claims data collectors and verifiers, Your agents and other persons where required by law). We prohibit them from using it for purposes other than those We supplied it for.

Where You provide Us with information about another person for the above purposes, You must tell Us if You haven't got their consent to this. If You wish to gain access to Your personal information (including to correct or update it), have a complaint about a breach of Your privacy or You have any query on how Your personal information is collected or used, or any other query relating to privacy, contact Us on 13 2664 EST 8am-6pm, Monday to Friday.

General Insurance Code of Practice

The General Insurance Code of Practice was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry through promoting better communication between insurers and customers and outlining a standard of practise and service to be met by insurers.

We keenly support the standards set out in the Code.

You can obtain more information on the Code of Practice and how it assists You by contacting Us. Contact details are provided on the back cover of this document.

To obtain a copy of Our procedures contact Us on 13 2664. A dispute can be referred to the Financial Ombudsman Service (FOS) subject to its terms of reference. Agency arrangements and agent's remuneration

If Your Policy has been issued through Our agent, or a broker who is acting under a binder agreement with Us, then they are acting as Our agent and not as Your agent.

If Your Policy has been issued by a broker, other than a broker acting under an agency/binder arrangement with Us, then the broker is acting as Your agent.

When the Policy has been arranged through an intermediary, remuneration (such as commission) is payable by Us to them for arranging the insurance. You can ask them or Us for more information.

Financial Claims Scheme

In the unlikely event Allianz Australia Insurance Limited were to become insolvent and could not meet its obligations under this Policy, a person entitled to claim may be entitled to payment under the Financial Claims Scheme. Access to the Scheme is subject to eligibility criteria and for more information see APRA website at <http://www.apra.gov.au> and the APRA hotline on 1300 55 88 49.

Updating this PDS

We may need to update this PDS from time to time if certain changes occur where required and permitted by law. We will issue You with a new PDS or a Supplementary PDS or other compliant document to update the relevant information except in limited cases. Where the information is not something that would be materially adverse from the point of view of a reasonable person considering whether to buy this insurance, We may issue You with notice of this information in other forms or keep an internal record of such changes (You can get a paper copy free of charge by contacting Us using Our details on the back cover of this PDS).

Other documents may form part of Our PDS and the Policy. If they do We will tell You in the relevant document.

Definitions applicable to this Section

The following words have the following special meanings wherever they appear in this Section:

“**Redevelopment Property**” means a property which is being redeveloped or is intended for redevelopment.

“**Sea**” means any ocean, sea, harbour or tidal water.

Basis of Settlement applicable to this Section

1. Following Damage to the Property Insured the Basis of Settlement on Buildings and Common Contents will be Reinstatement or Replacement.
2. For the purpose of this Section the term Reinstatement or Replacement will apply as follows:

Reinstatement or Replacement: (Applicable to Buildings and Contents)

The amount payable will be the cost of Reinstatement or Replacement of the Damaged Property Insured at the time of its Reinstatement, subject to the following provisions and subject also to the terms, conditions and Sums Insured for this Section.

“Reinstatement or Replacement” will mean:

- a. where Property Insured is wholly destroyed:
 - (i) in the case of a Building, the rebuilding of it; or
 - (ii) in the case of property other than a Building, the replacement of it with similar property,and in either case in a condition equal to, but not better or more extensive than its condition when new;
- b. where Property Insured is Damaged in part only, the repair of the Damage and the restoration of the Damaged portion of the Property Insured to

a condition substantially the same as, but not better or more extensive than its condition when new (including demolition or destruction of sound property necessary for the purpose of reinstatement or replacement),

provided that:

- (i) the work of rebuilding, replacing, repairing or restoring as the case may be (which may be carried out upon any other site and in any manner suitable to Your requirements, but subject to Our liability not being increased), must be commenced and carried out within a reasonable period, failing which We will not pay more than the Limit of Indemnity of the Damaged Property Insured at the time of the happening of the Damage;
- (ii) if the Property Insured is Damaged so as to constitute a total loss or constructive total loss, We may at Our option allow You to purchase an existing building on another site to replace the one destroyed. This will be deemed to be Reinstatement for the purpose of this Section. We will not pay more than the estimated cost of rebuilding the Building destroyed; and
- (iii) when any Property Insured to which this clause applies is Damaged in part only, Our liability will not exceed the sum representing the cost which We could have been called upon to pay for reinstatement if the Property Insured had been wholly destroyed.

3. Extra cost of reinstatement: (Applicable to Buildings)

This Section extends to include the extra cost of reinstatement (including demolition or dismantling) of Damaged Property Insured necessarily incurred to comply with the requirements of any act of parliament or regulation made under an act or any by-law or the regulation of any municipal or other statutory authority, subject to the terms, conditions and Sums Insured of this Section, and provided that:

- a. the work of Reinstatement must be commenced and carried out within a reasonable period, failing which We will not pay more than the amount which would have been payable under this Policy if this additional coverage had not been included;
- b. the work of Reinstatement may be carried out wholly or partially upon any other site, if the requirements of the act, regulation or by-law necessitate it, subject to Our liability not being increased;
- c. if the cost of Reinstatement of Damaged Property Insured is less than 50% of that which would have been the cost of Reinstatement if the Property

Insured had been destroyed, the amount We will pay will be limited to the extra cost necessarily incurred in reinstating only that portion Damaged;

- d. We will only pay these costs to the extent that the Sum Insured has not otherwise been exhausted unless We state in the Schedule that You have an additional Sum Insured for Extra Cost of Reinstatement;
- e. the amount recoverable shall not include the additional costs incurred in complying with any such act, regulation, by-law or requirement with which You had been required to comply prior to the happening of the Damage.

If the Buildings are Damaged and Reinstatement of the Damage is limited or restricted by:

- a. any act of parliament or regulation under an act; or
- b. any by-law or regulation of any municipal or other statutory authority,

resulting in the reduction of the floor space ratio index (plot ratio) of the site, then We will pay (as soon as that difference is ascertained on completion of the Reinstatement and certified by the architect acting on Your behalf in the Reinstatement of the Property Insured) in addition to any amount payable on Reinstatement of these Buildings, the difference between:

- (i) the actual costs incurred in Reinstatement subject to the reduced floor space ratio index (plot ratio); and
- (ii) the estimated cost of Reinstatement at the time of Damage had the reduced floor space ratio index (plot ratio) not applied.

Our liability arising from any one occurrence for Damage or expenses following Damage to the Building will not exceed in aggregate the Sum Insured stated in the Schedule in respect of the Building that is the subject of the claim.

5. Undamaged foundations

If a Building is destroyed but the foundations are not, and Reinstatement of the Building:

- a. has to be carried out at another location because of Government restrictions preventing Reinstatement at the original location; and
- b. the foundations are not Damaged to an extent that prevents them from being reused;

then the abandoned foundations will be deemed to have been destroyed.

Provided that if the Land Value of the original site with such foundations is greater than the Land Value without such foundations, then We will deduct from the

settlement an amount equal to the difference between the unimproved Land Value and the Land Value with the foundations.

6. Loss of Land Value

We will pay for loss of Land Value caused by a competent authority:

- a. refusing permission to reinstate the Building, when We will pay the difference between the Land Value before and after the Damage; or

provided that Our payment for loss of Land Value:

- a. will be reduced by any amount paid as compensation by such competent authority;
- b. will be a maximum of \$500,000;
- c. will be made to You after the ruling of the competent authority which results in the loss of Land Value is given. If the competent authority changes its ruling resulting in an increase in the Land Value after We have made a payment to You but before the completion of the Reinstatement, You must refund to Us any amount We have paid to You which exceeds the revised loss of Land Value.

If We disagree with You over the loss of Land Value, Our disagreement will be referred to two registered valuers for a decision. We will each appoint one valuer. If the two registered valuers do not agree, a third registered valuer appointed by the President of the Australian Property Institute as an expert will decide the loss of Land Value and that decision will be final and binding on both parties. The third registered valuer will at the time of determining the loss of Land Value decide which party is to pay the costs for this referral.
