Cost and Fees

Remuneration

Allied World pays remuneration to SGL and Your intermediary when We issue, renew or vary a Policy that SGL and Your intermediary have arranged on Our behalf. The type and amount of remuneration varies and may include commission or other payments. If You require more information about the remuneration We pay SGL or Your intermediary, please refer to the Financial Services Guide issued by SGL or Your intermediary.

Cancellation

When You or We cancel this Policy, a minimum premium of 20% will apply. This means that an amount equal to 20% of the annual premium will be deducted from any refund of premium that may be due to You when this Policy is cancelled.

How We calculate Your premium

The premium is the amount that You pay for this insurance product. The total premium payable by You is shown in Your Schedule.

Your premium includes amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST and Fire Services Levy) in relation to Your Policy. We set out separately the amount of any taxes and charges on Your Schedule as part of the total premium payable. If We are required pay an estimated amount (e.g. Fire Services Levy) based on criteria set by the Government, We allocate to the Policy Our estimate of the amount We will be required to pay. We may over or under estimate in a particular year, but We will not adjust Your premium because of this.

When You apply for this insurance product or upon renewal, We will ask You questions and We will ask You to provide Us with information. We rely on Your answers and the information You provide to Us when We calculate the premium. Some of the factors that We will take into consideration when We calculate the premium include:

- the make, model and type of Your Vehicle and whether it has any Non-Standard Accessories, Modifications or Attachments;
- the value of Your Vehicle and whether You insure it for Agreed Value, Market Value or Sum Insured;
- the type of cover You select and whether You select any Optional Covers;
- the ages of the drivers of Your Vehicles;
- Your claims history;
- where and how Your Vehicles are used;
- Your No Claim Discount; and
- any premium discounts that You qualify for.

If You change the Policy in any way during the Period of Insurance, You may be entitled to a refund of the premium You have paid or We may require You to pay an additional amount of premium.

Premium Discounts

Any premium discount that You qualify for will be included in Your premium and will be applied before adding applicable government charges.

The amount and type of premium discounts offered can change at any time before You purchase this insurance product or at Your next renewal. We may also vary or withdraw discounts at any time, however this will not affect the premium You pay for the Policy during its Period of Insurance.

No Claim Discount

If Your Vehicle is insured for Option 1: comprehensive cover and You do not have a claim during the Period of Insurance, We will apply a discount off Your next year's renewal premium. This reward is called the 'No Claim Discount'. The more 'claim free' years You have, the greater the percentage of No Claim Discount until You reach the maximum level of No Claim Discount after five (5) years. Your No Claim Discount is shown on Your Schedule.

When You have an at-fault claim, You will lose some or all of Your No Claim Discount at the next renewal. You will not lose any of Your No Claim Discount at the next renewal if:

- You have a claim and the only Damage to Your Vehicle is breakage of the windscreen or window glass of Your Vehicle and consequent scratching to body work; or
- You have a claim where Your Vehicle is involved in a collision and We agree the other driver was totally at fault and We can recover any amount We pay under the Policy in relation to the claim.

Paying Your premium

Your Schedule will show the amount that You must pay and the due date for Your annual premium. You must pay Your premium by the due date shown in Your Schedule. If You do not pay Your premium by the due date, We may reduce any amount We pay for a claim by the amount of any outstanding premium and/or We may cancel Your Policy.

Excess – the amount that can apply when You have a claim

The Excess is the amount that You are required to pay if You have a claim. Your Schedule will show Your Basic Excess which is the first amount of each claim You are required to pay unless We tell You that the Excess does not apply. The Basic Excess will vary depending on factors including but not limited to Your Vehicle type, the level of Basic Excess You choose and Your claims experience.

You may also be required to pay one or more additional Excesses in addition to the Basic Excess. These additional Excesses may include:

- Age and inexperienced driver's excess – this excess will apply if the driver of Your Vehicle is under the age of 25 or over the age of 25 years but has held a license less than two years. Different amounts apply for different age groups and different types of vehicle;
- Radius Limit excess – this excess will apply if Your Vehicle is Damaged or liability is incurred as a result of an Accident which occurs outside the Radius of Operation shown in the Schedule.

Upon acceptance of Your claim, You must immediately pay the total of all applicable Excesses, either to Us or to the repairer or any other party We direct You to pay. We will advise You to whom the Excess must be paid, however, if Your Vehicle is a Total Loss or if We pay You a cash settlement for a claim under this Policy, We may deduct any Excess that You must pay from any payment We make.

This is only a summary of how the Excess will apply. Please refer to Your Schedule, Clause 1 Words with special meaning, definition of 'Excess' and Clause 16.2 Excess and to any endorsement that refers to additional Excesses applicable for further details.

Duty of Disclosure

Before You enter into an insurance contract, You have a duty to tell Us anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

You have this duty until We agree to insure You.

You have the same duty before You renew, extend, vary or reinstate an insurance contract.

You do not need to tell Us anything that:

- reduces the risk We insure You for; or
- is common knowledge; or
- We know or should know as an insurer; or
- We waive Your duty to tell Us about.

If You do not tell Us something

If You do not tell Us anything You are required to, We may cancel your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

The premium

In the event of cancellation, a minimum premium of 20% will apply. This means that an amount equal to 20% of the annual premium will be deducted from any refund of premium that may be due to You when this Policy is cancelled.

When Your policy is cancelled, provided that no event has occurred where liability arises under the Policy, We will refund the premium for each day of the unexpired Period of Insurance. The daily premium will be calculated by dividing the premium by the number of days of the Period of Insurance. Your refund will not include government taxes and duties We cannot recover and the amount of any minimum premium.

15.3 Changes to Your insurance details – what You must tell Us

You must tell Us immediately if during the Period of Insurance Your Vehicle or any Attachment is modified in a manner that affects its value or performance in any way.

When We receive this information, We may:

- alter the terms and conditions of the Policy; or
- charge You additional premium; or
- decide not to offer to renew the Policy.

If You do not provide the information immediately We may not pay a claim under Your Policy.

Before We agree to renew the Policy You must tell Us if, during the current Period of Insurance, You or any person who is a driver of Your Vehicle has:

15.4 Cross liability

We agree that each person comprising the Insured named in Your Schedule is considered as if that person were the only person named as the insured, and We waive Our rights of subrogation against any of those persons named as the insured.

15.5 Joint insured

A claim lodged by any one person covered by the Policy is considered to be a claim by all persons covered by the Policy.

15.6 Jurisdiction

All disputes arising out of or under this Policy shall be subject to determination by any court of competent jurisdiction within Australia according to the law which applies to that jurisdiction.

15.7 Keeping evidence of the value of the insured property

You should keep evidence of the value of all property covered under the Policy. You should also keep evidence of the amount of any Accidental Damage.

15.8 Notices

Any notice We give You will be in writing and it will be effective:

- if it is delivered to You personally; or
- if it is delivered or posted to Your address last known to Us.

It is important for You to tell Us of any change of address as soon as possible.

15.9 Other insurances covering the same loss, damage or liability

If at the time of any event giving rise to a claim under this Policy there is any other current policy of insurance covering the same loss, Damage or liability You must notify Us of the other insurance and You must render all reasonable assistance to Us in order that We may obtain a rateable recovery from any other insurer.

15.10 Prevention of loss or damage

We may not pay Your claim if You do not take all reasonable precautions to prevent injury, loss, Damage or liability, including securing Your Vehicle against unauthorised entry when it is unattended. This includes removing Your keys and locking Your Vehicle.

It is a condition of the Policy that Your Vehicle be kept in good repair.

15.11 GST notice

The Policy has a GST provision in relation to premium and Our payment to You for claims. It may have an impact on how You determine the amount of insurance You need. Please read it carefully. Seek professional advice if You have any queries about GST and Your insurance.

Sums insured

All monetary limits in the Policy may be increased for GST in some circumstances (see below).

Claim settlements – Where We agree to pay

When We calculate the amount We will pay You, We will have regard to the items below:

- Where You are liable to pay an amount for GST in respect of an acquisition relevant to Your claim (such as services to repair a damaged item insured under the Policy) We will pay for the GST amount. We will pay the GST amount in addition to the Sum Insured/Limit of Indemnity or other limits shown in the Policy or in Your Schedule. If Your Sum Insured/Limit of Indemnity is not sufficient to cover Your loss, We will only pay the GST amount that relates to Our settlement of Your claim. We will reduce the GST amount We pay for by the amount of any input tax credits to which You are or would be entitled.
- Where We make a payment under the Policy as compensation instead of payment for a relevant acquisition, We will reduce the amount of the payment by the amount of any input tax credit that You would have been entitled to had the payment been applied to a relevant acquisition.
- Where the Policy insures business interruption, We will (where relevant) pay You on Your claim by reference to the GST exclusive amount of any supply made by Your Business that is relevant to Your claim.

Disclosure – input tax credit entitlement

If You register, or are registered, for GST You are required to tell Us Your entitlement to an input tax credit on Your premium. If You fail to disclose or understate Your entitlement, You may be liable for GST on a claim We may pay. The Policy does not cover You for this GST liability, or for any fine, penalty or charge for which You may be liable.

16. Making a claim

16.1 What You must do

In the event of a claim:

Do not admit liability

You must not:

- admit liability or make a promise or offer of payment in connection with the claim; or
- offer or agree to settle the claim, without Our written consent.

We are entitled to take over and conduct the defence of any claim made against You for damages by a third party. We have full discretion in conducting any negotiations, proceedings and the settlement of claims.

If the claim is for legal liability, You may make a written request to Us to agree that You are covered in respect of the claim.

Prevent further damage

You must take all reasonable precautions to prevent any further loss, Damage or liability.

Contact the police

Depending on the laws of the State or Territory in which the Accident occurs, You must:

- contact the police if any person was injured as a result of the Accident;
- request the police to attend the scene of the Accident;
- go to the local police station to complete a 'Self Reporting Collision Form' if the police inform You that it is not necessary for them to attend the scene of the Accident.

You must contact the police immediately if Your Vehicle is stolen or maliciously damaged.

Contact Us as soon as possible

If there is any Damage or liability which is likely to result in a claim, You must give Us immediate notice as well as full details of any Damage or anticipated or alleged liability. You can do this by calling us on 1300 831 033.

You or Your representative must give Us full details in the manner We request which will be either:

- verbally; or
- in writing by providing any information that We request.

If towing is required, We can help You to arrange the towing of Your Vehicle to a repairer suggested by Us or to any other location nominated or agreed by Us.

The process for authorising repairs to Your Vehicle is explained under Clause 16.4 Authorising repairs. Any correspondence You receive regarding the Accident must be sent to Us immediately.

You must advise Us immediately of:

- any notice of impending prosecution;
- details of any inquest or official enquiry.

If You have caused damage to other people's property

You must tell Us about any incident that has caused damage to other people's property. You also must immediately tell Us about any demands made on You to pay compensation to others, any court actions or offers of settlement and send these to Us.

16.2 Excess

An Excess is the amount specified in the Schedule or in Clause 1 Words with special meaning under Excess, which You must pay when You make a claim under the Policy, unless We state an Excess does not apply. The payment of an Excess helps to keep the cost of Your premium down by reducing the number of small claims.

There are different types of Excess which may apply to You or the driver of Your Vehicle at the time of the claim. These are the Basic Excess, Age and inexperienced driver excess, Age and inexperienced driver's excess applying to rigid and/or articulated vehicles, Undeclared driver's excess applying to rigid and/or articulated vehicles, Tipping excess and Radius Limit excess.

Faultless Excess

If the total Excess applicable to Your claim is \$5,000 or less, You will not be required to pay any Excess if:

- We determine that the claim involves a Third Party or driver of another vehicle and that Third Party or other driver was 100% at fault; and
- in the event another vehicle has caused Damage to Your Vehicle, You can supply the full name, address and license number of the other driver and the registration of the other vehicle or where another vehicle has not caused the Damage, the full name and address of the Third Party; and
- the amount of Your claim exceeds the applicable Excess.

Where the other driver or Third Party does not agree they are 100% at fault, You must pay the applicable Excess. If We are successful in establishing that the other driver or Third Party was 100% at fault, We will refund the Excess to You. If We do not require payment of the Excess at the time You make a claim but it is later determined that the other driver or Third Party was not 100% at fault, We reserve the right to collect the Excess from You following such determination.

How the Excess applies

The Excess applies to each of Your Vehicles for each Accident.

The Sum Insured and sub-limits of liability shall apply in addition to, and shall not be reduced by, the amount of any applicable Excess.

Deciding who is at fault

We will be solely responsible for deciding whether You contributed to the cause of an Accident.

16.3 Choice of repairer

You have the right to choose any repairer, or We can recommend one for You. If We do not accept Your choice of repairer, You must still co-operate with Us to select another repairer that We both agree on.

16.4 Authorising repairs

Where You have Option 1: comprehensive cover You may only authorise emergency repairs as detailed under Additional Benefit applicable to Part A 5.5 Emergency expenses. You cannot authorise further repairs to Your Vehicle without Our prior consent.

Before We make a decision regarding Your claim and repairs to Your Vehicle, We may need to inspect Your Vehicle. A motor vehicle assessor will be appointed by Us. We or Our assessor will make the necessary arrangements with You.

16.5 Parts, extras and accessories

If We are able to repair the part which is damaged, We will use new, recycled or reconditioned parts that meet the requirements of Australian Design Rules (ADR). If such parts are not available or appropriate, parts from alternative distribution channels may be used.

We will not pay any amount greater than the maker's last list price in Australia (together with a reasonable charge for fitting) for the supply of any part, extra or accessory.

In the event that any part, extra or accessory cannot be obtained immediately, We may choose to pay You the value of the part, extra or accessory (together with a reasonable charge for fitting) rather than supply the part, extra or accessory.

16.6 Sublet repairs

If the Damage to Your Vehicle requires Us to engage the services of a specific specialist repairer and/or supplier We may sublet that component or the work to such repairer or supplier.

16.7 Assist Us with Your claim

You must assist Us with Your claim. This means give Us all the information and assistance with Your claim which We may reasonably require. If You do not We may not pay Your claim or provide cover.

If We have the right to recover any amount payable under the Policy from any other person, You must cooperate with Us in any action We may take.

16.8 Our rights of recovery

We have the right to recover from any person, in Your name, the amount of any claim paid under the Policy and We have full discretion in the conduct, settlement or defence of any such claim.

16.9 Salvage of Your Vehicle or when it is a Total Loss

If Your Vehicle is a Total Loss and We have agreed to pay the Market Value, Sum Insured or Agreed Value for Your Vehicle:

16.9.1 the wreckage of Your Vehicle will become Our property; and

16.9.2 We will keep the proceeds of any salvage sale.

You must transfer the title and interests of Your Vehicle to Us and We shall be entitled to dispose of the remains. In States or Territories where We are entitled to do so, We will also retain any proceeds from any registration and compulsory third party insurance.

16.10 Payment of unpaid premium when Your Vehicle is a Total Loss

If Your Vehicle is a Total Loss and We have agreed to pay the Market Value, Sum Insured or Agreed Value for Your Vehicle:

16.10.1 the amount of any unpaid premium for the Period of Insurance will be deducted from the amount payable to You; and

16.10.2 if We are replacing Your Vehicle, You must pay Us the balance of any unpaid premium for the Period of Insurance.

16.11 No return of premium after a Total Loss

If Your Vehicle is a Total Loss and We have agreed to pay the Market Value, Sum Insured or Agreed Value for Your Vehicle, no return of premium will be made for any unused portion of the premium.

17. Sanctions

We shall not be deemed to provide cover nor be liable to pay any claim or provide any benefit under this Policy to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose Us to any sanction, prohibition or restriction, including under United Nations resolutions, or the trade or economic sanctions, laws or regulations of the European Union, United Kingdom or United States of America.

Claims Payment Examples

The following are examples of how a claim might be calculated. They are examples only and are designed to help You understand how some of the benefits in this Policy operate and how claim payments are calculated. The following examples do not cover all scenarios or all benefits and do not form part of the Policy terms and conditions. They are a guide only.

Example: Total Loss – Replacement Vehicle

Your Vehicle is a sedan that is Damaged in an Accident. Your Vehicle is 6 months old from its first registration after new manufacture at the time it is Damaged. We determine that Your Vehicle is a Total Loss. The cost of a replacement vehicle is \$40,000.

A Basic Excess of \$500 is applicable. The cost of new registration is \$1,000. You are registered for GST.

We will pay \$41,000 for the replacement vehicle.

You must pay Us the Basic Excess of \$500, plus any outstanding premiums and any unused portion of registration and compulsory third party insurance from Your Vehicle that was a Total Loss. We retain the wreckage of Your Vehicle and any proceeds that We receive from its sale.

Example: Total Loss – Market Value

Your Vehicle is Damaged in an Accident. Your Vehicle is 5 years old and insured for Market Value. We determine Your Vehicle is a Total Loss and assess the Market Value of Your Vehicle is \$15,000.

A Basic Excess of \$500 is applicable. You have paid the premium for Your Vehicle that is a Total Loss in full and You are registered for GST and entitled to a full Input Tax Credit (ITC)(100%).

We will pay You \$13,136 (\$15,000 less ITC of \$1,364 less \$500 excess).

We will retain the wreckage of Your Vehicle and any proceeds that We receive from its sale plus any registration and compulsory third party insurance refund. If You receive any registration and compulsory third party insurance refund for Your Vehicle that is a Total Loss, then We will deduct that amount from the amount We will pay You set out above.

Example: Partial Loss – Repairs

Your Vehicle is Damaged in an Accident. Two tyres are also damaged as a direct result of the Damage to Your Vehicle. You have selected Option 1: comprehensive cover and Your Vehicle is insured for Market Value. We authorized Your Vehicle to be towed from the scene of the accident to a repairer We have recommended. The cost of the tow is \$350. We assess the Market Value of Your Vehicle is \$15,000 and We assess that repairs to Your Vehicle will cost \$5,000 and two replacement tyres will cost \$200.

A Basic Excess of \$500 is applicable. You will normally pay the Basic Excess directly to the repairer.

We will pay:

- \$4,500 (\$5,000 repair cost less the \$500 Basic Excess). We normally pay this amount directly to the repairer;
- \$200 (cost of two replacement tyres) We normally pay this amount directly to the supplier of the tyres;
- \$350 (cost of towing). We normally pay this amount directly to the towing company.

Example: Theft

Your Vehicle is stolen and recovered 5 days later with Damage. You have selected Option 1: comprehensive cover and Your Vehicle is insured for Agreed Value of \$20,000. Your Personal Property that We assess is valued at \$500 has also been stolen. We assess that repairs to Your Vehicle will cost \$3,000. We arrange to provide You with a hire Motor Vehicle for 5 days at a cost of \$100 per day.

A Basic Excess of \$500 is applicable. You will normally pay the Basic Excess directly to the repairer.

We will pay:

- \$2,500 (\$3,000 repair cost less the \$500 Basic Excess). We normally pay this amount directly to the repairer;
- \$500 (cost of hire Motor Vehicle). We normally pay this amount directly to the hire car company;
- \$500 (value of Your Personal Property). We normally pay this amount directly to You.

Example: Third Party Liability

Your Vehicle is in a collision with another vehicle which causes damage to the other vehicle. A court decides that You are 100% at fault and You are legally liable to pay for the cost of the repairs to the other vehicle. The court assesses the cost of the repairs to the other vehicle is \$15,000. The legal costs We have consented to pay to defend You in this matter are \$3,500.

A Basic Excess of \$500 is applicable. You must pay Us the \$500 Basic Excess.

We will pay:

- \$15,000 (for the repairs to the other vehicle). We normally pay this amount to the third party claimant;
- \$3,500 (for legal costs). We will normally pay this amount directly to the lawyers.
