- General information, and
- Policy terms and conditions.

General information

This part of the booklet contains information you need to know before you take out a Policy. Please read it carefully before taking out this insurance.

Policy terms and conditions

The Policy part of this booklet contains the Policy terms and conditions, which detail all the terms, conditions and exclusions relating to the Policy. It forms part of your legal contract with us.

If we issue you with a Policy, you will be given a Policy Schedule. The Policy Schedule sets out the specific terms applicable to your cover and should be read together with the Policy terms and conditions.

If you require further information about this product, please contact your Steadfast broker.

General information for business pack insurance policy

The information contained in this part is general information only and does not form part of your contract with us. The Policy terms and conditions in the rest of this booklet contain details of your contract.

Important information

This Policy and your current Policy Schedule are important. Please ensure you read them carefully and keep them in a safe place. The Policy, current Policy Schedule, definitions, defined events, conditions, exclusions, extensions and endorsements are to be read together as one (1) contract. Any word or expression to which a specific meaning has been given under the heading 'Definitions' shall bear that meaning wherever it may appear unless such meaning is not applicable to the context in which that word or expression appears.

This Policy makes provision for payment of Goods and Services Tax by you in relation to premiums and by us in relation to claims.

If you have any questions regarding the Policy, please contact your insurance broker.

Plans, documents, reports, contracts, receipts, manuals and serial numbers relating to your property should be kept. If a claim occurs the documents may be required by us and they will assist you completing your claim form.

Duty of disclosure

Before you enter into an insurance contract, you have a duty to tell us anything that you know, or could reasonably be expected to know, may affect our decision to insure you and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- reduces the risk we insure you for; or
- is common knowledge; or
- we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Privacy

We'll collect personal information when you deal with us, our agents, other companies in the QBE group or suppliers acting on our behalf. We use your personal information so we can do business with you, which includes issuing and administering our products and services and processing claims. Sometimes we might send your personal information overseas. The locations we send it to can vary but include the Philippines, India, Ireland, the UK, the US, China and countries within the European Union.

Our Privacy Policy describes in detail where and from whom we collect personal information, as well as where we store it and the full list of ways we could use it. To get a free copy of it please visit qbe.com.au/privacy or contact QBE Customer Care.

It's up to you to decide whether to give us your personal information, but without it we might not be able to do business with you, including not paying your claim.

Resolving complaints & disputes

At QBE we're committed to providing you with quality products and delivering the highest level of service.

We also do everything we can to safeguard your privacy and the confidentiality of your personal information.

Something not right?

We know sometimes there might be something you're not totally happy about, whether it be about our staff, representatives, products, services or how we've handled your personal information.

Step 1 – Talk to us

If there's something you'd like to talk to us about, or if you'd like to make a complaint, speak to one of our staff. When you make your complaint please provide as much information as possible. They're ready to help resolve your issue.

You can also contact our Customer Care Unit directly to make your complaint. Our aim is to resolve all complaints within 15 business days.

Step 2 – Escalate your complaint

If we haven't responded to your complaint within 15 days, or if you're not happy with how we've tried to resolve it, you can ask for your complaint to be escalated for an Internal Dispute Resolution (IDR) review by a Dispute Resolution Specialist.

The Dispute Resolution Specialist will provide QBE's final decision within 15 business days of your complaint being escalated, unless they've requested and you've agreed to give us more time.

Step 3 – Still not resolved?

If you're not happy with the final decision, or if we've taken more than 45 days to respond to you from the date you first made your complaint, you can contact the Australian Financial Complaints Authority (AFCA). AFCA is an ASIC approved external dispute resolution body.

AFCA resolves insurance disputes between consumers and insurers, at no cost to you. QBE is bound by AFCA decisions - but you're not. You can contact AFCA directly and they'll advise you if your dispute falls within their Rules.

Disputes not covered by the AFCA Rules

If your dispute doesn't fall within the AFCA Rules, and you're not satisfied with our decision then you may wish to seek independent legal advice.

Privacy complaints

If you're not satisfied with our final decision and it relates to your privacy or how we've handled your personal information, you can contact the Office of the Australian Information Commissioner (OAIC).

Policy terms and conditions for Business Pack Insurance Policy

Insurer

The Policy is underwritten by QBE Insurance (Australia) Limited, ABN 78 003 191 035, AFS Licence No. 239545.

Our agreement with you

This Policy is a legal contract between you and us.

You pay us the premium, and we provide you with the cover you have chosen as set out in the Policy Schedule, subject to the terms and conditions of the Policy. Cover is provided during the period of insurance shown on your Policy Schedule or any renewal period.

We will not pay any more than the sum insured or limit of liability for each cover section which is shown in the Policy or Policy Schedule.

We will not pay the excesses shown in the Policy or Policy Schedule. If any loss or damage leads to a claim under more than one (1) section of this Policy, you must pay the highest applicable excess, but you need to pay only one (1) excess.

Your Policy

Your Business insurance Policy consists of the Policy terms and conditions in this booklet and the Policy Schedule we give you.

Please read your Policy carefully, and satisfy yourself that it provides the cover you require.

If you want more information about any part of your Policy, please ask us, or your Steadfast broker.

The address and telephone number of your QBE Branch are on your Policy Schedule.

You should keep your Policy wording and Policy Schedule together in a safe and convenient place for future reference.

Paying your premium

You must pay your annual premium by the due date to your insurance broker. If your premium is unpaid by this date or your payment is dishonoured this Policy will not operate and there will be no cover.

Paying your instalment premium

If you are paying your premium for the first time by instalments, we will deduct instalments each month on the day of the month that you nominate as your payment date.

If you are renewing your Policy and you paid your previous Policy by instalments, we will continue to deduct instalments for your renewed Policy on the day of the month you previously nominated as your payment date, unless you tell us otherwise.

If you have nominated the 29th, 30th or 31st of the month as your payment date, we will deduct your instalment payment on the next day if those dates do not occur in a month.

If your first instalment of premium when you take out your Policy or renew it is dishonoured, this Policy will not operate and there will be no cover.

We will not pay a claim under this Policy if, at the time the claim occurred, any instalment of premium has remained unpaid for 14 days or more.

If any instalment of premium has remained unpaid for one (1) month, we may cancel this Policy. We will send you a notice giving you details of the action we intend to take and when any cancellation will become effective.

We are entitled to deduct from any amount we pay you under a claim any unpaid premium or instalment of premium.

If you are paying your premium in instalments by direct debit from your credit card or financial institution account, you must tell us if those details change. You must do this no later than seven (7) days before your next instalment is due.

Preventing our right of recovery

If you have agreed not to seek compensation from another person who is liable to compensate you for any loss, damage or liability which is covered by this Policy, we will not cover you under this Policy for that loss, damage or liability.

Under-insurance

The Business Property cover section and the Business interruption cover contain under-insurance provisions which require you to insure for full value. If you do not, we may pay you a lower amount after taking into account the proportion of under-insurance or you may be required to pay a portion of the loss yourself.

General Policy conditions

The following general conditions apply to all sections of this Policy.

Breach of a condition or warranty without your knowledge or consent or error in name, description or situation of property will not prejudice your rights under this Policy provided notice in writing is given to us when such breach or error comes to your knowledge. Reasonable extra premium will be paid if required, from the date of such breach or error.

Accountancy records

You must provide to us all books of account, business books and other documents as may be required to investigate or verify claims. If you do not, we may refuse to pay or may reduce the amount of a claim.

Bankruptcy or insolvency

In the event that you should become bankrupt or insolvent, we shall not be relieved thereby of the payment of any claims hereunder because of such bankruptcy or insolvency.

In case of execution against you of any final judgement covered by this Policy being returned 'unsatisfied' by reason of such bankruptcy or insolvency, then an action may be maintained by the injured party or their representative against us in the same manner, and to the same extent as you but not in excess of the limit of liability.

Cancelling your Policy

How you may cancel this Policy

- You may cancel this Policy at any time by telling us in writing that you want to cancel it. You can do this by giving the notice to your Steadfast broker.
- Where 'You' involves more than one (1) person, we will only cancel the Policy when a written agreement to cancel the Policy is received from all persons named as the insured.

How we may cancel this Policy

We may cancel this Policy in any of the circumstances permitted by law by informing you in writing. Such cancellation shall take effect at the earlier of the following times:

- the time when another policy of insurance between you and us or some other insurer, being a policy that is intended by you to replace this Policy, is entered into; or
- at 4.00 pm on the fourteenth (14th) business day after the day on which notification was given to you.

The premium

We will refund to you the proportion of the premium for the remaining period of insurance.

Premium funders

If the premium has been funded by a premium funding company which holds a legal right over the Policy by virtue of a notice of assignment and irrevocable power of attorney, a refund will be made to the premium funding company of the proportionate part of the premium applicable to the unexpired period of insurance.

Designation of property

For the purpose of determining under which item any property is insured, we agree to accept the designation under which such property appears in your books of account.

Provided always that this 'General Policy condition' shall not apply to the 'Theft' cover section with respect to tobacco, products containing tobacco, cigars, cigarettes and alcohol.

Furthermore, under the 'Theft' cover section, stock does not include tobacco, products containing tobacco, cigars, cigarettes or alcohol unless they are specified on the current Policy Schedule.

Excess

If more than one (1) excess can be applied to one (1) occurrence or event, then you will only need to pay the highest excess. Sums insured, limits and sub-limits of liability shall apply in addition to, and shall not be reduced by, the amount of any applicable excess.

How Goods and Services Tax (GST) affects our payments we make

The amount of premium payable by you for this Policy includes an amount on account of the GST on the premium.

When we pay a claim, your GST status will determine the amount we pay.

When you are:

- a. not registered for GST, the amount we pay is the sum insured/limit of indemnity or the other limits of insurance cover including GST;
- b. registered for GST, we will pay the sum Insured/limit of indemnity or the other limits of insurance and where you are liable to pay an amount for GST in respect of an acquisition relevant to your claim (such as services to repair a damaged item insured under the Policy) we will pay for the GST amount.

We will reduce the GST amount we pay for by the amount of any Input Tax Credits (ITC) to which you are or would be entitled if you made a relevant acquisition. In these circumstances, the ITC may be claimable through your Business Activity Statement (BAS).

You must advise us of your correct Australian Business Number (ABN) and taxable percentage.

Any GST liability arising from your incorrect advice is payable by you.

Where the settlement of your claim is less than the sum insured/limit of indemnity or the other limits of insurance cover, we will only pay an amount for GST (less your entitlement for ITC) applicable to the settlement. This means that if these amounts are not sufficient to cover your loss, we will only pay the GST relating to our settlement of the claim.

We will (where relevant) pay you on your claim by reference to the GST exclusive amount of any supply made by any business of yours which is relevant to your claim.

GST, Input Tax Credit (ITC), Business Activity Statement (BAS) and Acquisition have the same meaning as given to those expressions in *A New Tax System (Goods and Services Tax) Act 1999* and related legislation as amended from time to time.

Taxable percentage is your entitlement to an ITC on your premium as a percentage of the total GST on that premium.

Inspections

We (or agents appointed by us) have the right to inspect and examine, by mutual appointment, any property insured.

Jurisdiction

All disputes arising out of or under this Policy shall be subject to determination by any court of competent jurisdiction within Australia according to the law which applies to that jurisdiction.

Non-imputation

Where this insurance is arranged in the joint names of more than one (1) insured, as described in the definitions of you, it is hereby declared and agreed that:

- a. each insured shall be covered as if it made its own proposal for this insurance;
- b. any declaration, statement or representation made in any proposal shall be construed as a separate declaration, statement or representation by each insured;
- c. any knowledge possessed by any insured shall not be imputed to the other insured(s).

Other persons or organisations

The insurable interest of only those lessors, financiers, trustees, mortgagees, owners and all other parties having a legal interest or charge over the property insured and who are specifically noted in your records, shall be automatically included as third party beneficiaries without notification or specification. The nature and extent of such interest is to be disclosed to us in the event of any claim covered by this Policy. Any other people not in this category or not named on the Policy Schedule are not covered and cannot make a claim. All third party beneficiaries must comply with the terms and conditions of the Policy.

Where the separate interests of more than one (1) party in the property insured are insured under this Policy, any act or neglect of one (1) party will not prejudice the rights of the remaining party or parties provided that the remaining party(s) shall, within a reasonable time after becoming aware of any act or neglect whereby the risk of loss, damage or destruction has increased, give notice in writing to us and shall on demand pay such reasonable additional premium as we may require.

You cannot transfer the Policy into someone else's name without our written consent.

All persons entitled to claim under the Policy are bound by the terms and conditions of the Policy.

When a claim is paid under the Policy and is also recoverable under another Policy or policies, you agree to permit us to seek contribution from the other insurer or insurers.

Our maximum liability

Except as otherwise stated elsewhere in this Policy, the maximum amount we will pay will not exceed the amount stated in the Policy Schedule as the sum insured or the limit of liability for those sections selected.

The sum insured, limit of liability and sub-limits of liability shall apply in addition to, and shall not be reduced by, the amount of any applicable excess.

Progress payments

We will make progress payments on claims at intervals to be agreed by us following receipt of an interim report from our loss adjuster or representative. We will not unreasonably withhold progress payments.

Reasonable care

You must take reasonable precautions to prevent personal injury or property damage as if you were not covered by this Policy such as:

- a. if you discover your products may be defective and the defect may cause a claim under the Public and products liability cover section, at your expense you must take reasonable steps to restrict, trace, recall, modify, replace or repair the products;
- b. maintain and look after other person's or organisation's property and buildings used or occupied by you, in accordance with your agreement with them;

- d. comply with all laws and safety requirements imposed by any authority or by State or national legislation.

If you do not take reasonable precautions we may refuse to pay part or all of your claim.

Reinstatement of sum insured

In the event of damage insured under one (1) or more of the; Property damage', 'Business interruption', 'Theft', 'Money', 'Machinery breakdown', 'Electronic equipment breakdown', 'Glass' and/or 'General property' cover sections of this Policy, the amount by which the sum insured or limit of indemnity is reduced as a consequence of the loss or damage will be automatically reinstated as from the date of loss or damage provided that:

- a. there is no written request from you to the contrary;
- b. the section is an operative section of the Policy; and
- c. you pay the premium which we require for the reinstatement.

We will not reinstate the sum insured on the 'Property damage' cover or 'Business interruption' cover sections if we have paid a total loss under either of these sections.

Rewards

We will pay you up to \$5,000 or any higher amount shown in the current Policy Schedule for the reasonable cost of any reward paid by you to recover any property belonging to you or for which you are responsible that is lost, destroyed or damaged and which is insured under the 'Property damage', 'Theft', 'Money' or 'Glass' cover sections of this Policy.

However:

- a. the terms of the reward must be agreed by us before it is offered, and
- b. no such payment shall be made by you unless the value of the property recovered exceeds the reward.

We shall not unreasonably withhold or refuse consent to the terms of any reward payable under this 'General Policy condition'.

Sale of salvage

We will not sell or dispose of any salvage without giving you the opportunity to buy it at its salvage value, provided that this condition does not allow you to abandon the property to us.

Single occurrence

We will not pay for loss or damage to property covered by the Policy under more than one (1) section of the Policy in respect of the same item and occurrence unless a relevant sum insured has been paid out in full and you have not been fully covered for the loss or damage.

Subrogation and recoveries

Notwithstanding Section 67 of the *Insurance Contracts Act (Cth)*, monies recovered in subrogation proceedings will be applied net of the expenses of such recovery:

- a. first to you to the extent of your uninsured loss in respect of a claim paid under a section of this Policy (disregarding the amount of any excess applicable);
- b. secondly to us in reimbursement of the amount paid to you in respect of that claim under that Section; and
- c. thirdly to you in satisfaction of any excess amount applicable.

Any other monies remaining after these allocations will be our property. Nothing in this condition shall prevent you and us entering into a "Subrogation Agreement" following a loss agreeing to a different basis of sharing, costs and expenses and the allocation of monies recovered.

Waiver of subrogation rights

- a. we shall waive any rights and remedies or relief to which we are or may become entitled by subrogation against:

The maximum we will pay for any one (1) claim, other than a claim for a specified item, under this cover section is the amount shown on the Policy Schedule or adjusted in accordance with this cover section, whichever is the higher.

The maximum we will pay for each specified item is the sum insured shown in the Policy Schedule for that item.

For contents that are works of art, antiques or curios we will only pay the value of the item up to a maximum of \$10,000 for each item unless they are a specified item.

For any item of contents or for any specified item that is part of a pair or set, the limit applies to the pair or set.

- h. when any property insured is damaged, but not destroyed, we will not pay more than the amount that we could have been called upon to pay if that property had been destroyed;
- i. we will only pay to return the property insured to a condition substantially the same as, but not better or more extensive than, its condition when new, using building materials readily available and in common use in the Commonwealth of Australia.

2. Branded goods

In the event of a claim, any salvage of branded goods or merchandise owned by you or held by you in trust or on commission and any goods sold but not delivered shall not be disposed of by sale without your consent. If such salvage is not disposed of by sale, then the goods may be retained by you and disposed of as you see fit provided a reasonable salvage allowance is agreed with us for the value of the goods.

3. Extra cost of reinstatement

We will pay the extra cost of reinstatement (including demolition or dismantling) of damaged property insured which are necessarily incurred to comply with the requirements of any Act of Parliament or Regulation made under an Act or By-law or the Regulation of any Municipal or Statutory Authority other than those relating to the heritage status of a building.

5. Conditions which apply to extra costs of reinstatement

- b. the work of reinstatement may be carried out wholly or partially upon any other site, if the requirements of the Act, Regulation or By-law necessitate it, subject to our liability not being increased;
- c. the amount recoverable shall not include the additional costs incurred with complying with any such Act, Regulation or By-law or requirement with which you have been required to comply prior to the happening of the damage.

Our total liability under this clause 'Extra cost of reinstatement' will be limited to the balance of the limit of indemnity for this cover section.

The under-insurance condition of the 'Business property' cover section of the Policy will not be applied to the amount payable under this clause.

6. Loss of floor space

If a building insured under this cover section on a reinstatement or replacement basis can only be built with a reduced floor space as a result of:

- b. where any property insured is to be replaced with any item or items which have a greater total function, capability or output and the new installed cost of such replacement property is no greater than the replacement value of that property insured, then the basis of settlement is the new installed cost of the item or items so replaced;
- c. where any property insured is to be replaced with any item or items which have a greater total function, capability or output and the new installed cost of such replacement property is greater than the replacement value of the property insured, then the basis of settlement is the lesser of the reinstatement value or that proportion of the new installed cost of the replacement item or items which the output of the damaged property insured bears to the output of the replacement item or items; provided always that the amount payable shall not be of lesser value than the estimated cost which would have been payable if such damaged property could have been replaced by an item or items that would have given the same total function, capability or output as the damaged property insured. If the reinstatement value of the damaged property insured is not ascertainable then the basis of settlement is the new installed cost of the replacement item or items.

8. Stock

- a. pay the market value of the stock at the time of the loss or damage; or
- b. pay the cost of repair or replacement of the lost or damaged stock; or
- c. replace or repair the stock with property or materials equal to or of a similar standard and specification as the stock at the time it was lost or damaged;

Should the site not be sold, then the increased site value, when applicable shall be agreed between you and us, or in default, we and you shall submit to arbitration and be bound by the decision of the arbitrator.

Extra covers applicable to this policy section

When damage to property insured is covered by this cover section, we will pay for the following costs that are incurred as a result of that damage ("extra covers").

As well as any specific limitation(s) on payments identified in each extra covers clause, the following limitations apply to payments under the following extra covers clauses:

- Clauses 1 to 4 inclusive: any amounts payable under these extra covers:
 - do not form part of the sums paid subject to the limit of indemnity; and
 - may apply in addition to the limit of indemnity.
- Clauses 5 to 19 inclusive: any amounts payable under these extra covers:
 - form part of the amounts paid subject to the limit of indemnity not otherwise exhausted;
 - do not apply in addition to the limit of indemnity

For the sake of clarity, if the limit of indemnity is otherwise exhausted, no amount is payable under extra covers clauses 6 to 19 inclusive.

Extra covers not subject to the limit of indemnity

Unless stated otherwise below, any amounts payable under these extra covers apply in addition to the sum insured.

1. Capital additions

If buildings or contents are insured and:

- a. buildings, or part of them, are in the process of being constructed, erected, altered or added to; or
- b. contents, excluding stock, are in the process of being installed or modified;

we will pay up to an additional:

- d. 20% of the total insured amount on buildings and contents; whichever is the lesser amount.

2. Catastrophe inflation protection

If we agree to pay a claim for damage to your building that is a direct result of a catastrophe we will:

- a. pay up to an extra 20% of the sum insured for buildings, and
- b. increase the amounts payable under the 'Capital additions' (relating to buildings only) extra cover and 'Prevention of loss or damage' additional benefit of this cover section by 20%;

to cover any Increase in building costs for labour and materials and any other additional costs that can be directly attributed to increases in the price of services and materials as a direct result of the catastrophe.

Provided that we will not pay:

- c. more than the increased building costs which are actually incurred by you;
- d. any amount under this additional benefit until you have incurred costs exceeding the sum insured applicable to such building under this cover section;
- e. any claim under this extra cover if your Policy Schedule shows the building as being insured for 'Indemnity';

- f. any claim under this extra cover if you choose not to rebuild the buildings (or any part of them) at the premises shown on your Policy Schedule. We will not increase the insured amount to pay for damage to any property insured other than buildings.

Increase in building costs means the difference between the cost of reinstatement actually incurred in accordance with the basis of settlement provisions of this cover section and the cost of reinstatement that would have applied had the event not occurred.

3. Floating stock

Where we pay a claim for loss or damage to stock at the premises, we will pay more than the sum insured at that premises to account for the temporary transfer of stock between premises provided that:

- there are at least two premises specified on the Policy Schedule and a sum insured has been separately specified on the Policy Schedule for contents at each premises insured under this Policy Section, including the affected premises; and
- You transfer the stock between premises as a usual business practice.

We will not pay a claim under this Extra cover where stock levels in excess of the sum insured at a premises have been temporarily located at that premises for a period exceeding 90 days and where we have not agreed in writing to an extended period during the period of insurance.

We will not pay more than the total of the contents sum insured (which relates to stock) for all premises.

4. Seasonal increase in stock

We will automatically increase the sum insured in respect of stock by 50% during the seasonal increase period. If your sum insured for stock is included in another item on the current Policy Schedule we will only apply the increase to the portion of the sum insured which relates to stock.

Extra covers subject to the limit of indemnity

5. Removal of debris including necessary temporary repairs

Specific conditions applicable to this section

1. Leased building clause

Without prejudicing your position under this cover section, you may agree to enter into a lease for occupancy of any building or a lease for hiring of property where the terms of the lease include a disclaimer clause in favour of the lessee to the owner.

2. Release

Without prejudicing your position under this cover section, you may release any railways, other transportation companies, statutory governmental, semi-governmental or municipal authority from any liability if required by any contract to do so.

3. Storage premises

Without prejudicing your position under this cover section, you may enter into a contract which includes a disclaimer clause in relation to the storage of goods or merchandise.

4. Tenants actions

If a tenant of yours or a tenant of your landlord (but not you) without your consent, causes or contributes to any loss or damage covered by this section which is in breach of any terms or conditions, we will cover you for your loss or damage as per this section, provided you:

- have taken all reasonable actions, as soon as you become aware of conditions causing the breach, to have the tenant comply with the terms;
- notify us within a reasonable amount of time of becoming aware of the breach;
- agree to pay a reasonable increase in premium for the additional risk.

5. Under-insurance

For each occurrence under the 'Business property' cover section, we will not be liable for more than that proportion of damage which; in respect of buildings, contents, stock and specified items the sum insured on the total amount for buildings, contents, stock and specified items at the premises, at the time of the commencement of each period of insurance bears to 80% of the full insurable value of such buildings, contents, stock and specified items.

Conditions:

- Our liability is limited to the sum insured at the premises as shown in the Policy Schedule;
- this clause will not apply if:
 - the amount of any damage does not exceed 10% of the sum insured at the premises.

'Approved valuer' means a certified practising valuer registered with the Australian Property Institute within the relevant property discipline.

Example:

Total value = \$200,000
 80% of value = \$160,000
 Sum insured = \$144,000

Therefore, if a \$100,000 loss occurs, we would pay $(\$144,000 / \$160,000) \times \$100,000 = \$90,000$.

We would pay \$90,000.

Any additional costs incurred to comply with the requirements of any statutory authority, by-laws or regulations shall be omitted from the calculation of our proportion

Common clauses to insurable gross profit basis, annual revenue basis and weekly revenue basis

The following clauses are applicable:

Accumulated stocks

In adjusting any loss, account will be taken and equitable allowance made if any reduction in turnover or loss of revenue or weekly revenue in consequence of the damage is postponed by reason of the turnover or revenue or weekly revenue (as the case may be) being temporarily maintained from accumulated stocks of finished goods.

Alternative trading

If during the indemnity period, goods are sold, work is performed or services are rendered elsewhere than at the premises for the benefit of your business either by you or by others acting on your behalf, the money paid or payable in respect of such sales, work or services will be brought into account in arriving at the turnover, revenue or weekly revenue (as the case may be) during the indemnity period.

Departmental

We will apply the cover provided by this cover section to each department of your business separately, if your business is conducted in departments, and each department has independent trading results which are ascertainable. For the purposes of this clause, the rent receivable from letting of property at the premises will be regarded as the proceeds of one (1) such department.

Item 2. Additional increase in cost of working

This section of the Policy is limited to the increase in the cost of working (not otherwise recoverable under this Policy) necessarily and reasonably incurred during the indemnity period in consequence of the damage for the purpose of avoiding or diminishing reduction in turnover, revenue or weekly revenue and/or resuming and/or maintaining normal business operations and/or services.

We will not pay more than:

- a. \$25,000, or
- b. the sum insured for 'Additional increase in cost of working' shown in the Policy Schedule;

whichever is the greater, for any one (1) claim.

Item 3. Accounts receivable

Under this item we will pay you up to the sum insured shown in the current Policy Schedule for all sums due to you from debtors that you are unable to collect because of damage to records of accounts receivable. We will also pay collection expenses in excess of normal collection costs made necessary because of the damage as well as interest charges at the ruling rate of your bank on any loan to offset impaired collections pending repayment of such sums unable to be collected by such damage. If you cannot accurately establish the total amount of accounts receivable outstanding as at the date of the damage, the amount will be computed as follows:

- a. determine the amount of all outstanding accounts receivable at the end of the same fiscal month in the year immediately preceding the year in which the damage occurs;
- b. calculate the percentage of increase or decrease in the average monthly total of accounts receivable for the year immediately preceding the month in which the damage occurs, as compared with such average for the same months of the preceding year;

- c. the amount determined under (a) above, increased or decreased by the percentage calculated under (b) above, will be the agreed total amount of accounts receivable as of the last day of the fiscal month in which said damage occurs;
- d. the amount determined under (c) above will be increased or decreased in conformity with the normal fluctuation in the amount of accounts receivable during the fiscal month involved, consideration being given to the experience of your business since the last day of the last fiscal month for which statements have been rendered, less:
 - i. the amounts of such accounts evidenced by records not suffering damage or otherwise established or collected by you;
 - ii. an amount to allow for probable bad debts that would normally be not capable of being collected by you;
 - iii. all unearned interest and service charges; and
 - iv. settlement or term discounts normally allowed.

We will not pay more than:

- a. \$7,500, or
- b. the sum insured for 'Outstanding accounts receivable' shown in the Policy Schedule;

whichever is the greater, for any one (1) claim.

Item 4. Claim preparation and proving expenses

In addition to the amount payable under general condition 'Claim preparation expenses' of this Policy we will pay you up to \$10,000 or the amount shown in the current Policy Schedule for the costs of such reasonable professional fees as may be payable by you and other such reasonable expenses necessarily incurred by you and not otherwise recoverable, for preparation and negotiation of claims under this section.

Sum insured

Our liability to you will in no case exceed in respect of each item the sum insured expressed against that item in the current Policy Schedule. 'Additional benefits' are within the total sum insured of this section and not additional to the total sum insured. If you have chosen weekly revenue, we will not pay more each week for loss of weekly revenue than the weekly benefit.

New business

In the event of damage occurring at the premises before the completion of the first year's trading of your business, the defined terms 'Annual turnover', 'Rate of gross profit', 'Standard turnover', 'Annual revenue', 'Standard revenue', and 'Standard weekly revenue', shall instead have the following meanings wherever they appear in this section:

'Annual turnover' means the actual turnover achieved during your first year of operations, from the commencement of your business to the date of the damage, converted to a twelve (12) month equivalent figure.

'Rate of gross profit' means the proportion that the gross profit bears to the turnover during the period between the date of commencement of your business and the date of the damage.

'Standard turnover' means the turnover achieved between the date of commencement of your business and the date of the damage, converted to the selected indemnity period.

'Annual revenue' means the actual revenue achieved during your first year of operations, from the commencement of your business to the date of the damage, converted to a twelve (12) month equivalent figure.

'Standard revenue' means the revenue achieved between the date of commencement of your business and the date of the damage, converted to the selected indemnity period.

'Standard weekly revenue' means the amount calculated by averaging the weekly revenues obtained during the period from the date of the commencement of your business to the date of the damage.

The above definitions may be used as necessary to calculate the trend of your business and for variations in or other circumstances affecting your business either before or after the damage or which would have affected your business had the damage not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the result which but for the damage would have been obtained during the relative period after the damage.

Salvage sale

If, following damage giving rise to a claim under this Policy, the insured shall hold a salvage sale during the indemnity period:

- a. Clause (a) of Item 1 'Gross profit' of this section shall, for the purpose of such claim, read as follows:
In respect of reduction in turnover the sum produced by applying the rate of gross profit to the amount by which the turnover during the indemnity period (less the turnover for the period of the salvage sale) shall, in consequence of the damage, fall short of the standard turnover, from which shall be deducted the gross profit actually earned during the period of the salvage sale.
- b. The definition of shortage in turnover shall, for the purpose of such claim, mean the amount by which the turnover during a period (less the turnover for the period of the salvage sale) shall, in consequence of the damage, fall short of the part of the standard turnover which relates to that period, from which shall be deducted the pay-roll paid out of the proceeds of the salvage sale.

Turnover - output

In the event of damage giving rise to a claim under this section, at your option, the word 'Output' may be substituted for the term 'Turnover' provided that only one (1) such meaning shall be operative in connection with any one (1) event involving damage. For the purpose of this Policy, 'Output' shall mean the sale and/or invoice value of goods manufactured and/or processed by you in the course of your business at the premises.

If you select the cover available under this clause, the clause headed 'Alternative trading' shall be altered to read as follows:

If during the indemnity period, goods are sold, work is performed or services are rendered elsewhere than at the premises for the benefit of your business either by you or by others acting on your behalf, the money paid or payable in respect of such sales, work or services will be brought into account in arriving at the output during the indemnity period.

Under-Insurance Deleted

If the Sum Insured shown in the Policy Schedule for:

- a. Insurable gross profit basis; or
- b. Annual revenue basis,

has been calculated using a Business Interruption Calculator and your GST exclusive sales income figures from your Business Activity Statement are as stated in the calculation, then the under-insurance provision within 'What we will pay' clause will not apply.

Excess

You must pay the amount of any excess shown in the Policy schedule for each claim you make.

Extra covers

If we agree to pay a claim under this Policy section for breakdown of machinery, we will also pay or provide the extra covers set out below.

Provided that:

- cover for additional items shall not exceed the total sum insured for the items already insured under this cover section;

- that loss or damage occurred within the location during the period of insurance as a direct result of impact from part of an insured item of plant and machinery; and
- the loss or damage is directly caused by insured damage and occurs in circumstances where cover is provided, and not excluded under this section.

We will not pay more than the sum insured specified on your Policy Schedule for that insured item of plant and machinery as specified on the Policy Schedule for insured damage to the uninsured item.

3. Increased cost of working

We will pay for costs that are incurred by you for the sole purpose of avoiding or diminishing a reduction in income from your business during the period that the plant and machinery is damaged.

Provided that:

- these costs are additional to your normal operating costs;
- these costs are incurred because of an interruption of your normal operations that directly results from insured damage to plant and machinery that is covered by this Policy section;
- you receive our prior written approval to incur these costs;
- we will not pay more than \$2,500 for increased cost of working; and
- we will not pay for any cost incurred during the first forty eight (48) hours following the loss.

- g. sudden leakage of refrigerant from the machinery or pressure pipe systems.

Loss minimisation

If deterioration occurs or is likely to occur to such stock by any of the above causes, we will pay any reasonable expenses incurred by you to prevent or minimise the loss of refrigerated stock.

What we pay under this option

If we agree to pay for a claim for deterioration of refrigerated stock, we will at our option, pay the cost of replacing the refrigerated stock or replace that stock.

We are not liable to pay more than the purchase price you paid for the stock, together with any handling costs you incurred. If deterioration occurs or is likely to occur to refrigerated stock by any of the defined events specified above, we will also pay the reasonable costs incurred by you to prevent or minimise the loss of or damage to refrigerated stock.

We will not pay more than the sum insured shown on the current policy schedule for this optional cover, except to the extent stated during seasonal increase periods.

During the seasonal increase periods we will increase the sum insured shown in the Policy schedule by 50%.

Your insurance under this cover section

Provided the 'Electronic equipment' cover section is shown in the Policy Schedule as taken, subject to the general exclusions we will cover you for:

- breakdown of electronic equipment which occurs at the premises; and
- direct loss or damage to other property insured as a result of that breakdown;

provided that the breakdown of electronic equipment occurs during the period of insurance.

What we pay

If we agree to pay a claim for breakdown of computer equipment or electronic equipment we will at our option repair, rebuild or replace any damaged item or pay for the cost of repairing, rebuilding or replacing. If we decide to replace the damaged item, we will replace the damaged property with similar property of a like kind, capacity, size, quality and function.

If we agree that you can carry out the repairs at the premises or at a workshop owned by you, we will pay the actual costs of materials and wages incurred plus a reasonable overhead mark-up, provided that a qualified person carries out the repairs.

If it is necessary to replace parts that are unavailable, we will not pay more than the estimated cost of similar parts currently available. If similar parts are unavailable, we will not pay more than the manufacturers, or suppliers, latest list price. We will not pay any cost of repairing or replacing any part or parts of a piece of computer equipment or electronic equipment which is greater than the cost of repairing or replacing the entire piece of such computer equipment or electronic equipment.

If the work of repairing, rebuilding or replacing the item is not commenced and carried out within a reasonable time period after the breakdown, we will not be liable to pay more than the cost necessary to repair, rebuild or replace the item at the time the breakdown occurred.

Where the breakdown is confined to a component or part of a computer equipment or electronic equipment, we will not pay more than the cost of repairing or replacing that component or part plus the cost of dismantling and erecting the computer equipment or electronic equipment.

The maximum we will pay is the sum insured as shown in the Policy Schedule.

1. In the event of breakdown we will at our option pay to you, up to the sum insured less the applicable excess, the reasonable cost of repair or replacement necessary to return the electronic equipment to their former state of operation including:

 - e. overseas air freight by any recognised scheduled service and/or overseas labour;
 - f. the cost of temporary repairs and/or hire of a temporary replacement item during the time taken to repair damage to any property insured;
 - g. any customs duties and dues.

Provided that the total of all of these extra costs in clauses 1(c), 1(d), 1(e) and 1(f) are limited to 50% of the normal cost of repair payable under this part and shall be payable in addition to the sum insured.

2. Where you incur extra expense, in complying with the requirements of any Act of Parliament or Regulation made there under or any By-Law or Regulation of any Municipal or other Statutory Authority, in the course of effecting repair or replacement of the electronic equipment, we will indemnify you for such extra expense.
Provided that the amount so recoverable hereunder shall not include the additional cost in complying with any such Act, Regulation, By-law or requirement with which you had been required to comply with prior to the breakdown.
3. All electronic equipment which can be repaired must be repaired. However, should the item be uneconomical to repair due solely to the nature of the breakdown, settlement will be as follows:

- c. We may limit or exclude our liability in relation to any accountants' fees if you, without our prior written consent which consent may be withheld in our absolute discretion, enter into any agreement or other arrangement of understanding which has the effect of limiting or denying our rights of subrogation in relation to such accountants' fees.

5. Failure to comply with conditions

If you fail to comply with any of the terms or conditions of this Policy, we may reduce our liability in relation to any accountants' fees by an amount that fairly represents the extent to which our interests have been prejudiced as a result of that failure or omission. If the act or omission giving rise to such failure could reasonably be regarded as being capable of or causing or contributing to a loss in respect of which cover is provided under this Policy, we may refuse to indemnify you in respect of the claim.

6. Recovery

In the event that any statutory tax audit results in you receiving an award of damages, you will pay a pro rata proportion of those damages to us calculated on the basis of our contribution to accountants' fees, up to but not exceeding the amount expended by us on such accountants' fees.
