Introduction

Welcome to CIL Insurance

CIL Insurance was formed in 1962 to cater for the needs of the caravan industry. Since then, CIL Insurance has grown to be a specialist Recreational Vehicle (RV) Insurer. Today CIL Insurance offers a range of insurance products to cover caravans, campers, motorhomes and trailers.

CIL Insurance is a division of Vero Insurance Limited, who can trace its origins back to 1833 in Australia. During this time Vero has successfully protected our customers' personal and business assets.

Vero aims to provide our customers with certainty and peace of mind, through innovative, specialised and expert insurance offerings.

Who is the insurer?

Vero Insurance Limited ABN 48 005 297 807, AFS Licence No. 230859 is the insurer of the insurance policy and is the issuer of this PDS.

How you contact us

You may contact us by calling:

- ▼ the telephone number shown in your schedule;
- ▼ your insurance adviser; or
- ▼ 1800 112 481,

or alternatively by writing to us at the following address:

GPO Box 1831
Brisbane QLD 4001

About the authorised representative or distributor

If an authorised representative or distributor of ours arranges this policy:

- ▼ they will be acting with the authority of Vero and be our authorised representative or distributor, not your agent, in all matters concerning this insurance,
- ▼ they will receive a commission, and
- ▼ neither the authorised representative, distributor nor any of its related companies guarantees the benefits payable under the contract.

Important information

It is important that you:

- ▼ read all of the PDS before you buy this insurance product to make sure that it gives you the protection you need, and
- ▼ are aware of the exclusions, conditions, limits on the cover provided and the amounts we will pay you, and the excesses that may apply to a claim.

Some words used in the PDS have special defined meanings. The definitions of these words can be found in the Terms Explained section on pages 53 to 56.

For the policy limits:

- ▼ some of these will be stated in the PDS (these are our standard policy limits), and
- ▼ the remainder will be stated in your policy schedule.

Exclusion for new business policies

We do not insure you for any loss or damage caused by flood, a named cyclone, bushfire or grassfire occurring within 72 hours of the start of your policy, unless your policy commenced:

- ▼ the day you bought your vehicle, or
- ▼ immediately after another policy covering the same vehicle expired (the policy did not expire if it was cancelled) without a break in cover.

Cooling off period

After you take out this insurance or renew your policy for another period of insurance, you have 30 days to consider the information in your PDS. This is called the 'cooling off period'. If you wish, and provided you have not made a claim, you can cancel your insurance within 30 days from the day cover began or was renewed. We will then refund in full any money you have paid and you will not be able to make a claim.

To cancel at other times, please see "Cancelling your policy", on page 52.

General Terms and Conditions

Terms and conditions of the contract

All the terms and conditions of the insurance contract are set out in:

- ▼ this PDS, and
- ▼ your schedule.

These terms and conditions apply if you have to make a claim, so it is important that you:

- ▼ read this PDS and your schedule carefully, and
- ▼ check that your details shown in your schedule are correct and up to date, and
- ▼ keep this PDS and schedule together in a safe place.

Changes to this PDS

Information in this PDS may change from time to time. We will either issue you with a supplementary PDS or a new PDS if the change is materially adverse to you. For other minor changes, updated information will be made available at cilinsurance.com.au or you can call us on 1800 112 481 to request a free paper copy.

Duty of Disclosure

You have a legal duty of disclosure to us whenever you apply for, change or renew an insurance policy.

What you must tell us

You have a general duty to disclose to us everything that you know, or could reasonably be expected to know, is relevant to our decision whether to insure you, and, if we do, on what terms. This includes providing us with information regarding your driving, claims and insurance history.

However, your duty does not require you to disclose anything:

- ▼ that reduces the risk to be undertaken by us,
- ▼ that is generally well known,
- ▼ that we know or, in the ordinary course of our business, ought to know, or
- ▼ in respect of which we have waived your duty.

Your general duty applies to renewals and changes

Your general duty applies in full when you renew an insurance policy or change an existing policy including when you extend or reinstate it.

Your general duty is limited for new policies

When you apply for a new policy your duty of disclosure applies, but you do not need to disclose something to us unless we specifically ask you about it. However, you must be honest in answering any questions we ask you. You have a legal duty to tell us anything you know, and which a reasonable person in your circumstances would include in answering the questions. We will use the answers in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.

Who needs to tell us

It is important that you understand you are disclosing to us and answering our questions for yourself and anyone else you want to be covered by the policy.

If you do not tell us

If you do not answer our questions honestly or do not properly disclose to us, we may reduce or refuse to pay a claim or we may cancel the policy. If you act fraudulently in answering our questions or not disclosing to us, we may refuse to pay a claim or treat the policy as never having existed.

Consequences if information is not provided

If you do not provide us with the information we need we will be unable to consider your application for insurance cover, administer your policy or manage any claim made under your policy.

Information you need to tell us

You must tell us as soon as possible:

- ▼ details of any conversion or modification to your vehicle made by someone other than the manufacturer,
- ▼ if there is any change to the list of people who are likely to drive your vehicle, and
- ▼ if there is any change in the use of your vehicle.

We may refuse a claim and/or cancel this policy if you do not advise us of the above information as soon as possible. In some circumstances, we may also refuse cover, adjust your premium or cancel your policy when you provide us with this information.

You must tell us no later than at renewal:

- ▼ if you or any person who is likely to drive your vehicle has incurred any motor infringements or been charged with any motoring offence (but not parking fines),
- ▼ details of any motor accidents that you or any person likely to drive your vehicle has had whether or not involving your vehicle, and
- ▼ if you or any person who is likely to drive your vehicle has been charged with, convicted of, or has any charge pending for a criminal offence.

We may refuse a claim and/or cancel the renewed policy if we are not advised of the above information by the renewal date. We may also refuse to offer renewal when you provide this information.

More than one named insured

If more than one person is insured under this policy, a failure or wrongful action by one of those persons may adversely affect the rights of the other person(s) insured under this policy. This includes policies where we insure your vehicle in the name of more than one person. Each person is a joint policyholder and is able to make changes to the policy that we agree to.

About your premium

The premium is the amount you pay us for this insurance. The premium includes any stamp duty, GST and any other government charges that apply.

In addition to the agreed value of your vehicle, we also use other factors about you and your vehicle to work out your premium. These are called premium factors. The premium factors we use reflect the likelihood of you making a claim together with other factors related to our cost of doing business.

Each time you renew your insurance your premium is likely to change, even if your personal circumstances have not changed. This is because premiums are affected by other things such as our expenses of doing business and changes in our claims experience.

In addition to the factors we use to calculate your premium, the discounts you may qualify for also affect your premium. Your premium includes any discounts you qualify for. Discounts are applied before adding applicable government taxes and charges.

More Details

For further details on how we work out your premium and for information about some of the discounts you may be eligible for, please refer to our Premiums, Excesses, Discounts and Claims Guide available at cilinsurance.com.au. A copy of this guide can be provided to you on request at no charge, if you contact us on 1800 112 481.

Paying your premium

We will tell you how much you have to pay and when payment is due on the notices we issue at the commencement and before any renewal of your policy. You must pay the premium by the due date to be covered by this policy. If you have not paid, you are not insured. Unless we tell you, any payment reminder we send you does not change the due date. If you do not pay the premium in full, we may reduce the period of insurance so it is in line with the amount you paid. You can pay your premium in one annual payment or, if we agree, by instalments.

Paying by instalments

If we agree that you can pay us the total premium in a number of payments instead of all at once, this is called paying by instalments.

We will not pay a claim if, at the date of the event you are claiming for, you are a month (or more) late in paying an instalment.

Important information for customers paying by instalments

When paying by instalments you must:

- ▼ ensure that your nominated account can accept direct debits and has sufficient funds to meet each payment at each due date.
- ▼ advise us 7 days prior to your instalment debit date if you wish to change your direct debit details.

If an instalment is rejected we will contact you usually within 7 days and advise of the failed debit attempt.

Any notice of our intention to again debit your account will not extend our final claims acceptance date or the date we cancel your policy.

If your debit date falls on a non business day, e.g. a weekend or public holiday, we will usually debit your account on the next business day.

Renewing your policy on instalments

We will send you a renewal notice before the policy expiry date. Unless you cancel your direct debit arrangements with us, we will continue to direct debit instalments based on your new premium and period of insurance.

No claim bonus (NCB)

A no claim bonus is a discount off your premium that recognises your good driving and claims history record.

You will automatically be entitled to our maximum no claim bonus when you insure with us. You will maintain the maximum no claim bonus for each and every annual period of insurance provided you do not make a penalty claim.

Lifetime maximum no claim bonus

If you are entitled to a maximum no claim bonus, you may be eligible for the lifetime no claims bonus protection benefit.

If you are entitled to this benefit, your maximum no claims bonus is protected for the life of this policy and any subsequent renewals (even if you are at fault in the event of an accident).

To be eligible for this protection you will need to:

- ▼ be 25 years of age or over, and
- ▼ be insured with us for 3 consecutive years on a maximum NCB, and
- ▼ not have incurred any penalty claims for the previous 3 years.

We will automatically apply this protection to your policy once you become eligible for the benefit. This benefit will be shown on your policy schedule.

Excess

An excess is an amount that is payable by you when you make a claim under your policy. One or more excesses may be payable in respect of each claim. Your policy schedule will show you the actual amount(s) that apply to your policy. See page 44 for more details.

More Details

For further details about our no claim bonus and excesses, please refer to our Premiums, Excesses, Discounts and Claims Guide available at cilinsurance.com.au. A copy of this guide can be provided to you on request at no charge, if you contact us on 1800 112 481.

About your vehicle

Your vehicle means the motorhome or campervan shown in your schedule which is registered as a motor vehicle, including:

- ▼ any of its fixtures and fittings,
- ▼ standard equipment for the particular make and model of your vehicle fitted by the original manufacturer,
- ▼ any accessories and optional extras that are either in or on your vehicle or in your private locked-up garage, provided you have told us about them and we have noted them on your schedule.

Your vehicle must be in a roadworthy condition.

Section 1 – Comprehensive cover

 - ▼ from your vehicle unless your contents are securely locked inside your vehicle and there is evidence of physical or forcible and violent entry.
 - ▼ of an awning attached to or near your vehicle.
- X** malicious damage to your vehicle by someone who is using your vehicle with your consent.
- X** repairs that are done without first getting our written consent other than emergency repairs (see page 20).

- X** stone chips or tar flecks from the road.
- X** loss or damage caused by you failing to protect your vehicle after it:
 - ▼ breaks down, or
 - ▼ is damaged in an accident, or
 - ▼ is stolen and later found.
- X** loss that occurs because you cannot use your vehicle, including financial loss or compensation.

How we settle your claim for partial loss or damage to your vehicle

✓ What we pay

Where we pay a claim for partial loss or damage we will choose to:

- ✓ repair your vehicle, or any part of it, or
- ✓ replace any part of your vehicle, or
- ✓ pay you what it would cost us to repair or replace your vehicle, or any part of it.

If we pay your claim for partial loss or damage to your vehicle, the agreed value under this policy remains at the same amount as it was before you made your claim.

Replacement of parts

Your vehicle will be repaired using either new genuine parts, or genuine parts that are consistent with the age and condition of your vehicle. If we agree to replace parts, we will replace these so that they comply with any relevant statutory requirement.

Parts not available in Australia

For parts and accessories that we agree to replace that are not readily available in Australia, we will only pay the last list price of these items in Australia, or the cost of similar comparable items, plus the reasonable cost of fitting. We will subtract any excess that may apply.

Accessories and optional extras

If you have insured any accessories or optional extras, and they cannot be economically repaired, we will either:

- ▼ supply you with a replacement item of a similar age and condition as the stolen or damaged item, or
- ▼ pay you the amount it would cost us to replace the item with one of a similar age and condition.

Items that form part of a set

Where an item forms part of a set, we will only pay the replacement value of that item, we will not pay to replace the entire set.

Lifetime guarantee for repairs

If we repair your vehicle, we will guarantee the repairs made under a claim against any defect due to workmanship or faulty material for the life of your vehicle while it is still owned by you. See also page 50, which explains how we deal with repairers.

X Most we will pay

The most we will pay is the lesser of:

- X** the cost of the most competitive quote with any adjustment made by our assessor, or
- X** the agreed value.

X What we will not pay

We will not pay for:

- X** any consequent loss that occurs directly or indirectly as a result of a loss, or for any repair or replacement that results in an improvement of the property's condition compared to its condition immediately prior to the loss, or
- X** any undamaged panel, sheeting, cladding (whether internal or external) that cannot be matched to the replacement material, or
- X** matching materials in order to achieve a uniform effect.

More Details

For further details about how we pay comprehensive claims, please refer to our Premiums, Excesses, Discounts and Claims Guide available at cilinsurance.com.au. A copy of this guide can be provided to you on request at no charge, if you contact us on 1800 112 481.

How we settle a total loss of your vehicle

If you are not eligible for or do not want new vehicle replacement, when we declare your vehicle a total loss (including when it cannot be economically repaired) we'll pay you the sum insured shown on your insurance certificate. We'll pay out your current finance provider by your relevant lender first, and then pay you the balance, less the excess that applies, and the insurance contract will end. If your vehicle is not financed, we will pay up to the agreed value, less the excess, that applies.

Vehicle replacement if your vehicle is a total loss

We will replace your vehicle if a total loss of your vehicle:

- ▼ occurs within 2 years of the date your vehicle was first registered, and
- ▼ you are the first registered owner of the vehicle, and
- ▼ you want us to, and
- ▼ any finance company with an interest in your vehicle gives its consent.

We will replace your vehicle with a vehicle of the same make and model (or similar if it is no longer available), including similar fixtures and fittings, tools and spare parts (all subject to local availability).

The replacement vehicle must be locally available. If it is not locally available, we will pay the agreed value.

We will also pay the following costs on your vehicle replacement:

- ▼ statutory charges, and
- ▼ dealer delivery charges.

We will pay any additional costs for:

- ▼ the first 12 months registration costs, and
- ▼ any statutory compulsory insurance where applicable.

Remember, we will require you to pay us any total excess that may apply.

You must recover any refundable unexpired registration and statutory compulsory insurance on your vehicle and pay this amount to the dealer.

The end of the policy following a total loss

Once a claim has been paid for a total loss of your vehicle, your policy ends. You will not be entitled to any refund of premium.

Instalment policies

If you pay your premium by instalments, we will deduct any remaining instalments from the amount of the claim before we pay it to you. Alternatively, we may require you to pay the outstanding balance of your premium before we settle your claim.

More Details

For further details about how we pay comprehensive claims, please refer to our Premiums, Excesses, Discounts and Claims Guide available at cilinsurance.com.au. A copy of this guide can be provided to you on request at no charge, if you contact us on 1800 112 481.

How we settle a claim for loss or damage to your contents

If we agree to pay your claim for loss of or damage to your contents, we will choose to:

- ▼ repair or replace the item;
- ▼ pay you the amount it would cost us to repair or replace the item;
- ▼ pay you the most we will pay for that item; or
- ▼ pay you the contents amount insured.

If your content item is more than 5 years old and cannot be economically repaired, we will pay you the amount it would cost us to replace the item as depreciated. Any depreciation we apply is based on the age and condition of the item at the time of loss or damage.

We will try to match materials or items used in repairing or replacing, with the original item. But if this is not possible, we reserve the right to use the nearest equivalent or similar materials or items.

Items that form part of a set

Where an item forms part of a set, we will only pay the replacement value of that item, we will not pay to replace the entire set.

Excesses payable in the event of a claim

An excess is an amount that is payable by you when you make a claim under your insurance policy. Your policy schedule will show you the actual amount(s) that apply to your policy.

We will either deduct the excesses from the amount of cover under this policy and then pay you or we will require you to pay the excess to a supplier, repairer or us. We may require you to pay the excess before we pay or settle your claim.

The following types of excesses may apply to your claim:

1. Basic excess

We apply a basic excess to every claim unless we agree you do not have to pay this excess.

2. Age excess (drivers under 25 only)

An age excess applies if the driver at the time of the event giving rise to the claim is under 25 years of age.

No age excess will apply if the claim is for:

- ▼ a broken windscreen or vehicle window, or
- ▼ loss or damage caused by theft, attempted theft, malicious damage, damaged whilst parked, or
- ▼ damage caused directly by hail, flood, storm, and other natural disasters.

3. Inexperienced driver excess

We apply this excess if the person driving the vehicle at the time of the loss or damage, is over 25 years old and has been licensed to drive for less than 2 years.

No inexperienced driver excess will apply if the claim is for:

- ▼ a broken windscreen or vehicle window, or
- ▼ loss or damage caused by theft, attempted theft, malicious damage, damaged whilst parked, or
- ▼ damage caused directly by hail, flood, storm, and other natural disasters.

4. Off road excess

An additional excess is payable under the policy if your vehicle is damaged whilst being driven on any beach or any dirt or unsealed road.

5. Underwriting excess

An additional excess may be imposed based on a driver's history or the overall claims experience – this will be shown in the schedule and is payable in addition to all other applicable excesses.

6. Hire use excess

If your policy has the hire use option, the basic excess will be increased and the total will be shown in the schedule.

7. Optional excess

To reduce your premium, you may choose to have a higher basic excess. If you choose one of the optional excesses, this will be shown on your schedule.

Excess payable for legal liability claims

If we agree to accept a claim for third party legal liability or personal legal liability, you must pay us any excess that applies to that claim. This excess will not apply if you have already paid an excess for loss or damage to your vehicle or your contents for the same event.

Please remember, the amount of any excess that applies to your policy is shown on the schedule.

If an accident is not your fault

If we consider that an accident you are claiming for is not your fault and you provide us with the details we require of the person at fault, you will not have to pay any excess at all on your claim.

More Details

For further details about our excesses, please refer to our Premiums, Excesses, Discounts and Claims Guide available at cilinsurance.com.au. A copy of this guide can be provided to you on request at no charge, if you contact us on 1800 112 481.

Making a claim

Action to take in the event of loss or damage

We do understand that being involved in an accident or having your property damaged or stolen can be a traumatic experience. To assist with practical help and to allow us to settle your claim quickly and fairly, please take the following steps:

1. Avoid discussing responsibility for the accident

In the event of an accident involving injury to another person or damage to property owned by another person, avoid any discussions with witnesses or any other party involved in the accident about who was responsible.

2. Obtain details of other parties involved

Where another vehicle is involved, we need you to supply the following details:

- ▼ name, current address and driving licence number of the other driver(s),
- ▼ the registration number of the other vehicle, a general description of it along with a description of the damage to their vehicle,
- ▼ details of any injuries, and
- ▼ the name(s) and address(s) of any witness(s).

Where other property is damaged, we will need you to supply the following details:

- ▼ name and postal address of the owner of the damaged property,
- ▼ the address of the damaged property, along with a description of the damage to their property, and
- ▼ the name(s), and address(s) of any witness(s).

3. Contact the police

The police will need to be contacted immediately and may attend the scene of an accident if:

- ▼ there are injuries as a result of the accident, or
- ▼ any driver involved is under the influence of alcohol or any drugs.

In any event, the police must be contacted for all losses involving malicious damage, theft or attempted theft of your vehicle or your contents, within 24 hours of the incident. If in doubt, call the police. We may require a written statement from the police confirming that the event was reported to them.

4. Contact us

Contact us as soon as possible after the accident or loss by telephoning 1800 112 481 anytime of the day or night. We will help and advise you, along with explaining the next step you should take. We may arrange to have your vehicle removed and taken to the nearest repairer if it cannot be towed.

If you delay notifying us of your loss or damage, this may prejudice your claim.

Damaged or stolen property

You must keep any:

- ▼ damaged property, or
- ▼ stolen and recovered property

You must keep these items and let us inspect them if we need to.

Please remember that we take over your legal right to damaged property and to recover the insured property.

Evidence of ownership and value

When making a claim, you must be able to provide us with evidence of ownership and value.

Some acceptable forms of evidence are:

- ▼ proof of purchase, including sales receipts, credit card or bank statements showing the purchase transaction details. The proof of purchase should include the item description or code, a purchase price, date purchased and where the item was purchased.
- ▼ model and serial numbers and original instruction booklets and owner's manuals.
- ▼ service or maintenance records.
- ▼ jeweller's valuations.
- ▼ photographs that clearly depict the item being used or worn by you.

If you are unable to reasonably substantiate your claim we can reduce or refuse your claim.

How we settle liability claims

If we agree you have a claim, only we have the right to:

- ▼ make or accept any offer or payment, or in any other way admit you are liable,
- ▼ settle, or attempt to settle any claim, or
- ▼ defend any claim or represent you at an inquest, official enquiry or court proceedings.

You must co-operate with us in defending or settling your claim.

You must tell us about and send us a copy of any notice, letter, claim, writ or summons as soon as possible after you receive it.

Making a claim under Section 4

You must provide us with any information about the claim we ask for including:

- ▼ medical reports,
- ▼ accounts and receipts, and
- ▼ any other information we may require before paying your claim.

How making a claim could affect your no claim bonus

If an accident is not your fault

When you renew your policy, if we have agreed that any claim you made during the period of insurance was not your fault and you have provided us with the details of the person at fault, then your no claim bonus will not be affected.

Windscreen claims

When you renew your policy, your no claim bonus will not be affected for the first windscreen or window glass only claim you make in any period of insurance.

Other claims

On renewal, we reduce your no claim bonus for each penalty claim you have made during the period of insurance unless you have selected the protected no claim bonus option or have the lifetime maximum no claim bonus.

When you have protected no claim bonus

If you have a maximum no claim bonus of 65%, and you have selected the option to protect your no claim bonus and this is shown on your schedule, your no claim bonus will not be affected by the first penalty claim in any period of insurance.

Your no claim bonus will be adjusted for any further penalty claims in the period of insurance.

Lifetime maximum no claim bonus

If you have lifetime no claim bonus protection, claims will not affect your no claim bonus.

More Details

For further details on how claims affect your NCB, please refer to our Premiums, Excesses, Discounts and Claims Guide available at cilinsurance.com.au.

A copy of this guide can be provided to you on request at no charge, if you contact us on 1800 112 481.

How a claim payment is calculated

When we pay a claim we consider a number of aspects in calculating the amount payable.

These can include the:

- ▼ amount of the loss or damage or liability;
- ▼ excess;
- ▼ agreed value;
- ▼ policy limits; and
- ▼ terms and conditions of the policy.

More Details

For examples on how a claim payment might typically be calculated, please refer to our Premiums, Excesses, Discounts and Claims Guide available at cilinsurance.com.au. A copy of this guide can be provided to you on request at no charge, if you contact us on 1800 112 481.

Goods and Services Tax (GST)

This section of the policy deals with:

- ▼ how GST is part of what you have to pay us for the policy,
- ▼ your obligation to tell us about any input tax credit you may have for that GST, and
- ▼ how GST affects what we pay you for any claims you make and any limits on what we pay.

As part of the premium for this insurance policy, we will include GST.

Each time you make a claim under this policy, you must tell us if you are entitled to claim an input tax credit for the GST amount charged on your policy and, if you are, the proportion of the GST that you can claim as an input tax credit.

If you are entitled to claim an input tax credit for the GST included in the amount payable:

If you do not tell us that you are entitled to an input tax credit, or you give us incorrect information about the proportion of the GST you claim as an input tax credit, then you may have a GST liability for claim payments we make. Any such GST liability you have remaining when we make a cash settlement (whether it is made to you or to a third party to whom you are liable) will be your responsibility, even if you tell us your correct input tax credit entitlement after the payment has been made.

If you use the vehicle or contents for business purposes and we settle your claim by making a cash payment to you, then we will reduce the amount we pay you by the amount of any input tax credit to which you would be entitled if you were to purchase replacement goods or services.

If the agreed value or the policy limit is not sufficient to cover your loss, we will only pay the agreed value or the amount of the policy limit, less any excess. We will not pay any GST in addition to this amount.

If the vehicle insured is a total loss, we will not deduct any input tax credit entitlement from the amount of the agreed value shown in the schedule.

If you are NOT entitled to claim an input tax credit for the GST included in the amount payable:

If the agreed value or the policy limit is not sufficient to cover your loss, we will pay the GST that relates to our proportion of your loss, less any excess. We will pay that GST in addition to your agreed value or policy limit.

Please remember, we will apply terms and conditions in addition to any other terms and conditions in the policy.

If your vehicle is damaged

If your vehicle can still be driven

You may choose any licensed repairer to arrange a quote to repair your vehicle. We may request a second quote or arrange to move your vehicle to another repairer acceptable to both of us.

If your vehicle cannot be driven

If your vehicle cannot be driven you can call us and:

- ▼ we will arrange for your vehicle to be towed from the place where the damage occurred, or
- ▼ we will tow your vehicle from the place it was taken to after the damage occurred so that we can obtain a quote for the repairs. We will pay for this.

How we deal with repairers

Once our assessor has reviewed the quote(s), we will then authorise any repairs that are reasonably and necessarily required to repair your vehicle. We may sub contract and any repairer we authorise to repair your vehicle may sub contract some of the repairs to a person of their choice. This will usually occur for repairs that require a specialised repairer to undertake those works. You must not authorise the repair of your vehicle without our prior agreement.

Any parts used in the repair of your vehicle will be new or consistent with the age and condition of your vehicle.

When we approve repairs, we will provide you with a lifetime guarantee on repairs against any defect due to workmanship or faulty materials following a claim, while you own the vehicle.

Contribution to repairs

You might have to contribute to the cost of repairing tyres, accessories, paintwork, bodywork, interior trims or annexes affected by neglect, wear and tear, weathering, rust or corrosion.

If the repair to your items leaves them in a better condition than before they were damaged, we may ask you to contribute to the repair cost. If we ask you to contribute we will always explain why, tell you how much it will be and how to pay it.

The salvage of your vehicle or contents

If we pay the costs of replacing your contents, any damaged or recovered contents becomes our property. When we pay for a total loss, your vehicle or its wreck becomes our property. If you wish to purchase the salvage of your vehicle we will give you first option to buy the salvage at the price established by an auction or salvage company agreed to by both of us.

If you purchase the salvage of your vehicle we will contribute up to \$1,000 towards moving your vehicle to your residence or a place of your choice.

See also pages 14 and 15 for more information about settling a claim as total loss.

Other Important Information

Cancelling your policy

How you may cancel

You may cancel your policy at any time by telling us that you want to cancel it.

We subtract from any premium you have paid us an amount to cover the period that we have already insured you for. We then return the rest of the premium, along with government charges and taxes where this is allowed.

How we may cancel

We may only cancel a policy when the law says we can.

When we cancel your policy we will tell you so in writing. This notice of cancellation will be given to you in person or sent to your last known address.

We will subtract from any premium you have paid us, an amount to cover the period that we have already insured you for. We then return the rest of the premium, along with government charges and taxes where this is allowed.

If you pay by instalments

We may cancel your policy, by telling you in writing:

- ▼ after 3 business days, if you do not pay an instalment on the agreed date, or
- ▼ straight away, if you are a month (or more) late in paying an instalment.

If we cancel your policy, we will require you to pay us the amount owing up to the date of cancellation. You do not have to pay us any further instalment due after the date of cancellation.
