Words with special meaning

Some words and expressions used in the PDS have special meanings. These words are always in bold. The meaning of words and expressions in bold are explained under the heading "what certain words mean".

Headings

The headings of clauses in the PDS and the **policy** are for reference purposes only. They do not form part of the **policy**.

Summary of benefits and risks

This is a general summary only and cannot be relied on as a complete description of the cover provided.

Please refer to the relevant sections of the **policy** and **schedule** for full benefit details and applicable terms, conditions, limits and exclusions.

What does your policy cover?

Your **policy** provides **you** with the following covers:

- Cyber Event Cover
- Cyber Bullying Cover
- Cyberstalking Cover
- Identity Theft Cover
- Personal Crime Cover
- Reputation Cover
- Wage Replacement Benefit

A **cyber event**, **identity theft**, **cyber theft**, **sim-jacking** or **cryptojacking** must first be discovered by **you** during the **policy period**.

Cyber bullying, **cyberstalking**, **cyber harassment** or **a harmful publication** must first happen during the **policy period**.

What is payable under the policy?

Different amounts or benefits are payable under each cover. **You** should read what is covered under each cover carefully. Each of the covers include a number of defined terms which are explained under the heading "what certain words mean". Please read these carefully so **you** understand what is payable under each cover.

Limits

There is a **limit** or sublimit for the amount **we** pay under each cover. There is an **aggregate limit** payable by **us** in any one **policy period**. The **limit**, sublimit and **aggregate limit** are stated on **your schedule**.

Excess

The **excess** is the amount **you** must contribute towards the cost of any claim **you** make.

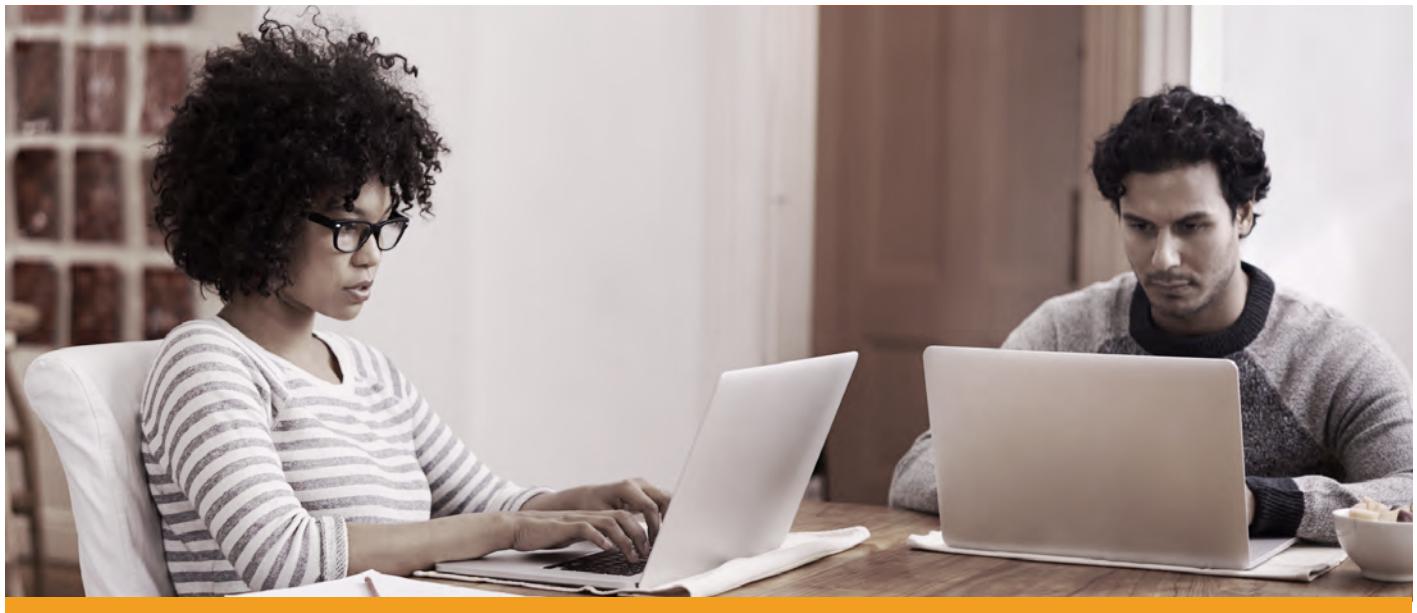

If **we** agree to pay **your** claim, **we** will deduct the **excess** from the amount of the claim **we** pay to **you**. If **your** claim is settled without payment to **you** but with costs incurred, **you** will be liable to pay the **excess** and **we** will inform **you** how to make payment.

The **excess** payable is set out in the **schedule**.

Your responsibility

You are required to take reasonable steps to prevent and mitigate costs covered under this **policy**. These include, but are not limited to:

- a. changing the password on any **home IT** from a default or original password; and
- b. providing and maintaining a virus-protection software package which is licensed to **you** or paid for by **you**.

Your risks - what is not covered

Please read the **policy** so that **you** are fully aware of the cover provided as well as the conditions, **limits** and exclusions that apply.

Different amounts and benefits are payable under each cover. Under the heading "exclusions" **we** set out what is not covered under the **policy**. Please read the exclusions carefully.

For example, the **policy** does not pay claims:

- for physical damage to and the repair or replacement of tangible property;
- for any death or bodily injury;
- for any third party liability or legal defence costs including a third party liability for damages characterised or described as aggravated, punitive or exemplary damages;
- for access through **your home IT** to the IT system of a business that **you** own or that **you** are employed by or perform work for;
- for commercial use of **your** property, including via airbnb or similar arrangements;
- for any fact or circumstance known to **you** or discovered by **you** before the commencement of the **policy period**.

The cost of your policy

The amount that **we** charge **you** for this **policy** when **you** first acquire it and when **you** renew **your policy** is called the **premium**. The **premium** is the total that **we** calculate when considering all of the factors which make up the risk. Depending on the frequency of claims the **premium** on renewal of the **policy** may be different to the **premium** for this **policy**.

The **premium** is subject to government taxes, levies and duties such as GST and Stamp Duty. Emergence may also charge a policy fee in addition to the **premium**.

The total cost of **your policy** is shown on the **schedule** and is made up of **your premium** plus government taxes, levies and duties (where applicable) and a policy fee (if applicable).

Your Duty of Disclosure

Before **you** enter into an insurance contract, **you** have a duty to tell us anything that **you** know, or could reasonably be expected to know, may affect **our** decision to insure **you** and on what terms.

You have this duty until **we** agree to insure **you**.

You have the same duty before **you** renew, extend, vary or reinstate an insurance contract.

You do not need to tell **us** anything that:

- reduces the risk **we** insure **you** for; or
- is common knowledge; or
- **we** know or should know as an insurer; or
- **we** waive **your** duty to tell **us** about.

If you do not tell us something

If **you** do not tell **us** anything **you** are required to, **we** may cancel **your** contract or reduce the amount **we** will pay **you** if **you** make a claim, or both.

If **your** failure to tell **us** is fraudulent, **we** may refuse to pay a claim and treat the contract as if it never existed.

Your 'cooling off' rights

You can return **your policy to us** within 14 days of its commencement or renewal, which is stated on the **schedule**. If we receive **your request** to cancel this **policy** within the 14 day period, we will cancel the **policy** effective from the commencement or renewal date and give **you** a full refund. You cannot use this right where, before the 14 day period ends, **you** have exercised any of **your rights** or powers under the **policy** (e.g. **you** have made a claim). After the cooling off period ends **you** still have cancellation rights under the **policy** [see our General Conditions].
