Changes to your Policy

Your Policy is amended by the following:

Change 1: Calculating your premium

Your Policy is amended by inserting the following new paragraph on page 2 within the ‘Important Information’ section before the paragraph ‘Interest on unallocated premium’:

Calculating your premium

In order to calculate Your premium, We take various factors into consideration, including the level of cover requested and the property to be insured.

Factors that increase the risk to Us generally increase the premium (for example, high claims experience or higher sums insured) and factors that reduce the risk to Us generally reduce the premium (for example, low claims experience or lower sums insured).

Your premium, including any discounts You may be eligible for, are subject to minimum premiums. We consider the minimum amount We are prepared to sell the Policy for and may adjust Your premium to ensure it does not fall below the minimum amount. Any discounts will be applied to Your Policy, only to the extent any minimum premium is not reached. This means that any discount You may be eligible for may be reduced. When We determine Your premium on renewal, We may also limit any increases or decreases in Your premium by considering factors such as Your previous year’s premium amount.

Your premium also includes amounts that take into account Our actual or estimated obligation to pay any relevant compulsory government charges, taxes or levies (for example stamp duty, GST and fire services levy). Where We are required to pay an estimated amount (for example, for fire services levies) based on criteria set by the State Governments, We allocate to the Policy Our estimate of the amount We will be required to pay. We may under or over recover in any particular year but We will not adjust Your premium because of this. You can ask Us for more details if You wish.

When You apply for this insurance, You will be advised of the premium payable, when it needs to be paid and how it can be paid. This amount will be clearly set out in Your Schedule, which will be sent to You within 5 days of the issue of this Policy. If You fail to pay, We may reduce any claim payment by the amount of premium owing and/or cancel the Policy.

You may also be required to pay an Excess in the event of a claim under this Policy. The amount of any Excess will be shown on Your Schedule.

Change 2:

Addition and revision to various General definitions

1. Your Policy is amended by adding the following additional definitions under the 'General definitions' section commencing on page 2:

2. Cyber

This policy does not cover any:

Provided however that subject to all the terms, conditions, limitations and exclusions of this Policy or any Endorsement thereto, should Data Processing Media owned or operated by the Insured suffer Damage insured by this Policy, then this Policy will cover the cost to repair or replace the Data Processing Media itself plus the costs of copying the Electronic Data from back up or from originals of a previous generation. These costs will not include research and engineering nor any costs of recreating, gathering or assembling the Electronic Data. "Annual Turnover" means the actual Turnover achieved, from the commencement of Your Business to the date of the Damage, converted to a 12-month equivalent figure.

"Standard Turnover" means the Turnover achieved between the date of commencement of Your Business and the date of the Damage, converted to the selected Indemnity Period.

The above definitions may be used as necessary to calculate the trend of Your Business and for variations in or other circumstances affecting Your Business either before or after the Damage or which would have affected Your Business had the Damage not occurred, so that the figures thus adjusted shall represent as nearly as may be reasonably practicable the result which but for the Damage would have been obtained during the relative period after the Damage.

3. Underinsurance/average

Where at the date of the occurrence of the Damage the sum insured as shown in the Schedule for:

- a) Gross Profit is less than eighty per cent (80%) of the Annual Gross Profit (appropriately increased if the Indemnity Period exceeds twelve (12) months);
- b) Payroll is less than the amount produced by applying the Payroll limits set out in the Schedule to eighty per cent (80%) of the amount produced by applying the Rate of Payroll to the Annual Turnover (appropriately increased if the Indemnity Period exceeds twelve (12) months);

- e) 'Gross Revenue' is less than eighty per cent (80%) of the Annual Revenue (appropriately increased if the Indemnity Period exceeds twelve (12) months),

then the amount payable for those items will be proportionately reduced.

This clause shall not apply if the claim does not exceed ten per cent (10%) of the sum insured for the respective item.

4. Alternative trading

If during the Indemnity Period, goods are sold, work is performed or services are rendered elsewhere than at the Business Premises for the benefit of Your Business either by You or by others acting on Your behalf, the money paid or payable in respect of such sales, work or services will be brought into account in arriving at the Annual Revenue, weekly Revenue or Turnover (as the case may be), during the Indemnity Period.
