7. Continuing representations and notification of material change in risk

In granting cover under this **Policy**, **We** relied upon the statements and representations in the **Proposal** and any other material and/or information supplied to **Us** by **You** or on **Your** behalf, in any form and however provided. The **Insured** represents that all such statements and representations including but not limited to the correctness of what is stated to be '**Your Business**' as noted in the **Policy Schedule** will continue to be true and the continuing accuracy of these statements is deemed material to the acceptance of the risk or the hazard assumed by **Us** under this **Policy**.

Notwithstanding what is stated above, any act, error, omission, breach, default or knowledge of any **Director** or officer will not be imputed to any other **Insured** for the purposes of a statement or representation made in the **Proposal**.

The **Insured** must as soon as reasonably possible advise **Us** in writing of a material change in the risk, including but not limited to notifying **Us** if any of the following occurs during the **Period of Insurance**:

- a) undertaking activities that are materially different from **Your Business** as described in the **Policy Schedule**;
- b) any cancellation or suspension, or loss of or condition imposed, upon any licence, registration or authority required by the **Insured** to conduct **Your Business**; or
- c) **Your Company** being insolvent, bankrupt or in liquidation.

When **We** receive notification of a change, **We** may decide to either:

- i. continue cover with no change to the premium payable;
- ii. reduce the premium payable and return any refund to the **Insured**;
- iii. charge the **Insured** an additional premium (the **Insured** can cancel the **Policy** if the additional premium is not acceptable); or
- iv. cancel the **Policy** if permitted in accordance with the provisions of the Insurance Contracts Act 1984.

It is important for the **Insured** to know that **We** may make changes to this **Policy** as a result of a change in information. When there is a change, **We** will inform the **Insured**.

If the **Insured** does not provide such notification before the happening of any these occurrences, and they give rise to a claim under this **Policy** then, subject to the Insurance Contracts Act 1984, **We** may refuse to pay a claim, either in whole or in part.

The course of action **We** take when **You** fail to provide such notification will be considered in each circumstance based on what impact or effect **Your** failure caused or contributed to the claim or **Our** decision to issue **Your** policy.

8. Coverage parts

The terms and conditions of each **Coverage Part** of this **Policy** apply only to that **Coverage Part** and shall not apply to any other **Coverage Part**. Each **Coverage Part** should be read in conjunction with the General Provisions of this **Policy**. Should there be inconsistency between the General Provisions of this **Policy** and each specific **Coverage Part**, the terms and conditions of the specific **Coverage Part** shall prevail.

9. Fraudulent claims

If any **Insured**, makes any application for indemnity under this **Policy**, knowing that such application for indemnity is false or fraudulent, **We** may refuse to make any payment in connection with the **Claim** and may cancel the contract in accordance with the **ICA**.

10. Interpretation of words

The singular includes references to the plural and vice versa and any gender includes reference to all other genders.

11. Non-fraudulent non-disclosure

The **Insured** acknowledges that the information provided to **Us** in their **Proposal** for insurance is relied upon by **Us** in assessing whether to accept the risk and if so, on what terms. The **Insured** also acknowledges that in the event of a non-fraudulent non-disclosure in the **Proposal** of a matter the **Insured** knows or a reasonable person in the circumstances would know is relevant to **Our** decision whether to accept the risk and on what terms, **We** are entitled to cancel the contract, if a **Claim** has not been made. Notwithstanding **Our** right to avoid this **Policy** for such non-disclosure, **We** may, at **Our** absolute discretion, waive **Our** right to cancel this **Policy** and confirm indemnity to **Your People**.

12. Policy law

All disputes arising in relation to this **Policy** shall be determined pursuant to Australian law by an Australian Court, and in accordance with the laws of the State or Territory of Australia where this **Policy** was issued.

13. Severability and non-imputation

In determining the availability of cover for **Claims** against **Your People**, no fact pertaining to, knowledge possessed by, nor any **Wrongful Act** committed by one of **Your People** will be imputed to any other of **Your People**.

14. Territorial limits

The cover provided by this **Policy** is for **Claims** arising from **Wrongful Acts** committed or occurring in whole or part anywhere in the world but excluding:

- a) actions brought in or determined pursuant to the laws of, the United States of America or Canada or any state or territory incorporated in, or administered by the United States of America or Canada; or
- b) arising from the enforcement of any judgment, order or award in respect of any action brought in any Court of law in the United States of America or Canada or any state or territory incorporated in, or administered by the United States of America or Canada.

General claims conditions

The **Insured** has certain responsibilities that are set out in this section and in the **Policy**. These responsibilities also apply to any person that is covered by the **Policy**.

If the **Insured** does not meet these responsibilities, **We** may refuse to pay a claim or reduce what **We** pay for a claim. **We** may also decide to cancel the **Policy** if permitted in accordance with the provisions of the Insurance Contracts Act 1984.

The course of action **We** take when the **Insured** fails to do any of these things will be considered in each circumstance based on what impact or effect the **Insured's** failure to do so caused or contributed to a claim under the **Policy**, an **Occurrence**, or changes **Our** liability under the **Policy**.

The following general claims conditions apply to this **Policy**:

1. Allocation

- a) If in any **Claim**, the **Insured** incur **Loss** jointly with others, or incur in relation to a **Claim** liability for both **Loss** covered by this **Policy** and **Loss** not covered by this **Policy**, then **We** and the **Insured** will allocate such amount between covered **Loss** and uncovered **Loss** based upon **Our** assessment of which parts of the amount fall in and which fall outside the **Policy's** cover.
- b) If **We** and the **Insured** against whom a **Claim** is made agree on the allocation of **Defence Costs** in respect of **Loss** covered by this **Policy** and **Loss** not covered by this **Policy**, **We** will advance on a current basis **Defence Costs** allocated to covered **Loss**. If there is no agreement on an allocation of **Defence Costs**, **We** will advance on a current basis **Defence Costs** that **We** believe to be covered under this **Policy** until a different allocation is agreed, or it is judicially determined.
- c) Any agreed, or judicially determined allocation of **Defence Costs** on account of a **Claim** will be applied retrospectively to all **Defence Costs** on account of such **Claim**, notwithstanding any prior advancement to the contrary. Any allocation or advancement of **Defence Costs** on account of a **Claim** will not apply to, or create any presumption or admission in respect of the allocation of other **Loss** on account of such **Claim** or any other **Claim**.

2. Defence and settlement

- a) Unless otherwise agreed by **Us** in writing, **We** have the right to investigate any **Circumstance** and the right, but not the obligation, to conduct in the name of the **Insured** any investigation and conduct the defence or settlement of any **Claim**. This right shall cease on the exhaustion of the **Limit of Indemnity**.
- b) The **Insured** agree not to settle or offer to settle any **Claim**, incur any **Defence Costs** or otherwise assume any contractual obligation or admit any liability with respect to any **Claim** without **Our** prior written consent. **We** will not be liable for any settlement, **Defence Costs**, assumed obligation or admission to which **We** have not consented to in writing.
- c) The **Insured** agree to provide **Us** with all information, assistance and co-operation **We** reasonably request. **We** will only request information, assistance and co-operation relevant to handling **Your Claim** and **We** will explain why the information, assistance and co-operation is required. Further, the **Insured** agree that in the event of a **Claim**, they will do nothing that

may prejudice either the **Insured's** or **Our** position or any potential or actual rights of recovery. Should the handling or settlement of any **Claim** be prejudiced by the **Insured's** actions, the amount payable in respect of such **Claim** (including costs and expenses) shall be reduced to reflect such prejudice.

- d) **We** may settle any **Claim** for any amount that **We** deem reasonable and the **Insured** shall consent to such settlement and provide any assistance with the resolution of the **Claim** that we reasonably require. If the **Insured** withholds consent to such settlement or declines to provide the assistance **We** require, **Our** liability for all **Loss** on account of such **Claim** will not exceed the amount for which **We** could have settled such **Claim** plus **Defence Costs** accrued as of the date such settlement was proposed in writing by **Us** to the **Insured**.
- e) The **Insured** will not unreasonably withhold any consent referred to in this General Claims Condition.

3. Defence costs

- a) **Defence Costs** are part of and not in addition to the **Limit of Indemnity** set forth in the **Policy Schedule** and any **Defence Costs** paid by **Us** reduces the available **Limit of Indemnity** by the amount of such **Defence Costs** paid.
- b) Subject to Claims Condition 1. Allocation, **We** will advance on behalf of the **Insured**, **Defence Costs** that they have incurred in connection with **Claims** made against them, prior to settlement of such **Claims**. Provided that to the extent it is finally established by judgment, settlement or other final adjudication that any such **Defence Costs** are not covered under this **Policy**, all **Insured** severally according to their interests, agree to repay to **Us** such **Defence Costs**.
- c) **We** will indemnify the **Insured** for **Defence Costs** arising out of any criminal prosecution in which they are acquitted by a court, provided that:
 - i. no **Defence Costs** other than those incurred with **Our** prior written consent shall be payable under this extension; and
 - ii. **We** shall not be under any obligation to advance **Defence Costs** as they are incurred, but may advance **Defence Costs** in amounts and at times as **We** in **Our** sole and absolute discretion determine; and
 - iii. the **Insured**, according to their respective interests, shall repay any payments advanced by **Us** in the event that they are not entitled to such payment under this **Policy**.
- d) Notwithstanding 3 c) i. and ii. above, if in the event of an **Emergency Our** written consent cannot be reasonably obtained by the **Insured**, the **Insured** have the right to incur up to \$30,000 in **Defence Costs** for a period of 30 days immediately following the date of such **Emergency**. The **Insured**, according to their respective interests, shall repay any payments advanced by **Us** in the event that they are not entitled to such payment under this **Policy**.

4. Insured's right to contest claims

If the **Insured** does not agree with a decision made by **Us** to settle a **Claim**, the **Insured** can elect to contest the **Claim** at its own expense but **Our** liability will not exceed the amount for which the **Claim** should be settled in the opinion of a Senior Counsel appointed under General Claims Condition 9. Senior Counsel.

We shall pay all **Defence Costs** incurred up to the date the **Insured** notifies **Us** in writing of its election under this clause, and shall pay the **Insured** (subject to the **Limit of Indemnity** less the **Excess**) the amount for which the **Claim** should be so settled.

The **Insured** expressly agrees that **Our** liability in respect of such **Claim** shall then be at an end. If **We** believe that the **Claim** will not exceed the **Excess**, **We** may instruct the **Insured** to conduct the investigation, defence and settlement at their own expense. Should the **Claim** subsequently exceed the **Excess**, **We** agree to reimburse the reasonable **Defence Costs** incurred by the **Insured** in excess of the **Excess**, or pay on their behalf any additional **Defence Costs**, but not exceeding the lesser of the amount Senior Counsel advised the matter should be settled for or the **Limit of Indemnity**.

5. Order of payment

Where **You** have an overall annual single aggregate **Limit of Indemnity** for this **Policy** and have a **Claim** which is covered by one or more **Coverage Parts**, **We** will:

- a) firstly pay **Loss** due under Coverage Part 1 – Directors' and Officers Liability / Company Reimbursement, b)
 1. Individual Cover;
- b) then pay **Loss** under any other applicable **Coverage Parts**.

6. Other insurance

Upon giving notice of any **Claim** the **Insured** agrees to, as soon as reasonably possible, provide **Us** with written details of any other insurance or source of indemnification that may cover or partially cover that **Claim**.

7. Recoveries

We agree not to exercise **Our** rights of recovery against an **Insured**, save where General Claims Condition 2. b) applies. All recoveries obtained by or on behalf of the **Insured** from parties other than an **Insured**, in connection with the settlement or resolution of a **Claim** and after deducting the reasonable cost of obtaining such recovery, shall be applied in the following order:

- a) first to the benefit of the **Insured**, where the **Insured** has contributed to a payment exceeding the **Limit of Indemnity** made to resolve the **Claim** up to the amount of that payment;
- b) then to **Our** benefit for any amount **We** paid in connection with the **Claim**;
- c) then to the benefit of the **Insured** for the **Excess** paid in respect of the **Claim**; and
- d) then to the benefit of the **Insured** for any uninsured losses.

All recoveries made prior to settlement of any **Claim** shall be held by **You** or the lawyer appointed to act for **Our** benefit pending any settlement. The monies shall not be applied to **You** or **Us** in the order set out above until the matter has been fully resolved and all costs and expenses have been ascertained and the allocation of such recoveries has been agreed.

8. Reporting and notification

- a) The **Insured** must give **Us** written notice of any **Claim** made against the **Insured**, or any **Crime Loss** or **Tax Audit Costs** as soon as reasonably possible during the **Period of Insurance** or during any applicable **Discovery Period** to:

Insurance Australia Limited trading as CGU Insurance
Professional Risks Claims Department
GPO Box 4609 Melbourne VIC 3001
Email: priclaims@cgu.com.au

- b) Full details of the **Claim** (including any Writ, Summons or other legal document) shall be provided with the notice, which must be forwarded to **Us** and the **Insured** shall provide **Us** with such further information, documentation and co-operation as **We** may reasonably require.

9. Senior counsel

We shall not require the **Insured** to defend any legal proceedings in respect of any **Claim** against them, nor shall the **Insured** be able to require **Us** to defend, on its behalf, any legal proceedings in respect of any such **Claim**, unless a Senior Counsel (to be mutually agreed upon by the **Insured** and **Us** and in default by the Chairman of the Bar Association of the state in which the **Policy** is issued) shall advise that such proceedings should be defended. In formulating such advice, the Senior Counsel shall take into consideration the economics of the matter, the damages and costs that are likely to be recovered by the claimant, the likely **Defence Costs** and the prospects of the **Insured** successfully defending the action. The cost of the Senior Counsel's opinion shall be regarded as part of the **Defence Costs** of any **Claim**.

In the event that the Senior Counsel advises that, having regard to all the circumstances, the matter should not be defended but should be settled, provided that settlement can be achieved within certain limits that in the Senior Counsel's opinion are reasonable, then the **Insured** shall co-operate with **Us** to try to effect such settlement in accordance with this **Policy**. Should the **Insured** decide to defend such a **Claim**, **Our** liability shall not exceed the amount which the matter could have been resolved for in the advice of the Senior Counsel.

10. Subrogation

We shall be subrogated to the **Insured's** rights of recovery to the extent of any payment made under this **Policy**. Each **Insured** agrees to do everything necessary to secure and preserve such rights, including, but not limited to, the execution of such documents as are necessary to enable **Us** to bring proceedings in the name of the **Insured**.
